1. MTC AND PROJECT DESCRIPTION

A. *Description of MTC*

MTC was created by the state Legislature in 1970 (California Government Code § 66500 *et seq.*) to serve as the transportation planning, coordinating and financing agency for the nine-county San Francisco Bay Area.

B. *Project Description*

The representation of commercial vehicle movements in the MTC travel model is based on data collected in the 1980s and 1990s and does not always provide information sufficient for robust planning. Through the Freight Model Program Design project, MTC seeks assistance to prepare strategic documents detailing options for developing and maintaining a freight model program. The program should consist of activities related to data collection and analysis, model development, staffing, model application, and model maintenance.

II. PROPOSER MINIMUM QUALIFICATIONS

Proposals must demonstrate that the firm or team submitting the proposal (“Proposer”) meets the following Minimum Qualifications to be eligible for consideration for this project.

- Project Manager has a minimum of five (5) years experience within the last ten (10) years managing similar projects, such as strategic planning or technical consulting experience in freight planning or policy, and/or freight model development or application; and
- Each key personnel has a minimum of two (2) years experience working on similar projects, such as strategic planning or technical consulting experience in freight planning or policy, and/or freight model development or application.

III. SCOPE OF WORK, PERIOD OF PERFORMANCE, AND BUDGET

A. *Scope of Work*

The scope of work for the project is provided in *Appendix A, Scope of Work*. The firm selected to enter into a contract (“Consultant”) will be expected to perform all work and analysis necessary to complete the scope of work.

B. *Period of Performance*

MTC expects the work to commence on or about February 1, 2016, and to be completed no later than December 31, 2016. At MTC’s sole option, the contract may be extended for up to two (2) additional years, in increments of MTC’s choosing for work contemplated by the *Appendix A, Scope of Work*.

C. Budget

MTC has budgeted fifty thousand dollars (\$50,000) for work on Tasks 1 through 5 as detailed under *Appendix A, Scope of Work*. MTC has not yet established a budget for potential task orders under Task 6 in the scope of work. Additional funding may be available in future Fiscal Years subject to approval of future MTC budgets.

IV. PROPOSERS' CONFERENCE AND REQUESTS FOR CLARIFICATION OR EXCEPTIONS

A Proposers' Conference will be held at **2:00 p.m. on Monday, October 12, 2015** at the Joseph P. Bort MetroCenter Building, 101 8th Street, Oakland, in Fishbowl Conference Room.

Any addenda will be posted on MTC's website. All Proposers are responsible for checking the website for any addenda to the bid documents.

Any requests for clarification of or exceptions to RFP requirements must be received by MTC no later than 4:00 p.m., on Friday, October 16, 2015, to guarantee response or consideration. MTC reserves the right to reject any proposal that contains unauthorized conditions or exceptions.

VII. FORM OF PROPOSAL

Proposals must be signed in ink and include a statement that the person or persons signing the proposal is/are authorized to authorize and submit the proposal on behalf of the Proposer. Page limits, where specified, are for single-sided print. Proposers are encouraged to print double-sided copies to save paper.

Proposal content and completeness are most important. Clarity is essential and will be considered in assessing the Proposer's capabilities.

Proposers must provide the information listed below. Any material deviation from these requirements may be cause for rejection of the proposal, as determined in MTC's sole discretion.

Each proposal must include the following:

A. Transmittal Letter

Proposals must include a transmittal letter signed by an official authorized to solicit business and enter into contracts for the firm and containing the name and telephone number of a contact person, if different from the signatory. Indicate whether there are any conflicts of interest, actual or apparent, that would limit the Proposer's ability to provide the requested services and describe the plan for mitigating such conflicts. Acknowledge the receipt of this RFP and any Addendum to the RFP. Indicate that the proposal is a firm offer to enter into a contract to perform work related to this RFP for a period of 180 days from the due date for proposals.

B. Title Page

Proposals must include a title page that includes the RFP subject, the name of the Proposer's firm, local address, telephone number, name of contact person, contact person's email address, and the date.

C. Table of Contents

Proposals must include a table of contents that includes a clear identification of the material by section and page number.

D. Overview and Summary

This section should clearly convey the Proposer's understanding of the nature of the work and the general approach to be taken, and identify any specific considerations. It should include, but not be limited to, the following:

1. A discussion of the project's purpose;
2. A summary of proposed approach; and
3. The assumptions made in selecting the approach.

E. Work Plan

This section should present a work plan for Tasks 1 through 5 described in *Appendix A, Scope of Work*. The proposed work plan should:

1. Discuss how the Proposer will conduct the identified task, identify deliverables, and propose a schedule. The proposal should discuss the tasks in sufficient detail to demonstrate a clear understanding of the project and component tasks. The proposal may include additional tasks or sub-tasks the Proposer believes necessary to accomplish the project goals. The schedule should show the expected sequence of tasks, subtasks and milestones.
2. Provide a staffing plan for each task. Provide an organizational chart that shows roles and responsibilities of key personnel and reporting structure, including reporting and communication relationships between MTC, Proposer staff, and subcontractors, if any.
3. Describe approach to managing resources and maintaining quality results. Include a description of the role of any subcontractors, their specific responsibilities, and how their work will be supervised to maintain quality results.

F. Qualifications and References

1. Describe proposed team's qualifications specific to the requirements set forth in Section II, Proposer Minimum Qualifications. Identify the personnel, including subcontractors' personnel, whose expertise or experience addresses each of the specified needs. Include the name of the agency for whom the work was performed, year performed, name of the contact person and their telephone number.
4. Provide at least one sample of a written technical report or memo and two samples of material developed for a similar study effort. The samples must have been prepared by key members of the Proposer's team and should identify the authors. Only one copy of each sample is required, and the samples will be returned after proposal evaluation, upon request. The samples will be considered in evaluating firm and staff expertise and experience, and written presentation effectiveness.
5. Provide a list of references (including references for subcontractors) and their contact information.
6. Provide a summary of all contracts your firm (including subcontractors) has held with MTC, MTC SAFE, BATA, BAIFA or BAHA in the past three years, including a brief description of the scope of work, the contract amount, and date of execution.

G. Cost Proposal

Based on the tasks and staffing plan described in response to E.1 and E.2, listed above, provide a breakdown of the expected expenditures of funds for Task 1 through 5 in *Appendix A, Scope of Work*. The budget should include, but is not limited to, a task budget and a line item budget with billing rates for each phase.

1. The task budget should present a breakdown of hours and expenses by task and deliverable in each phase of the project. It should identify or refer to key personnel or job descriptions in relation to each task to provide a full explanation of the resources committed to the project.
2. A line item budget should be submitted for each phase of the project. The line item budget should present a breakdown of costs by cost categories, including billing rates for key personnel and job classifications. The line item budget should be set forth on the Cost and Price Analysis Form attached as *Appendix B* to this RFP. A line item budget

should also be submitted for proposed sub-consultants with contracts estimated to exceed \$25,000. *Appendix B* is available in electronic spreadsheet format upon request. The line item budget is requested for evaluation purposes only; payment for Tasks 1 through 5 in *Appendix A, Scope of Work*, shall be based on receipt of deliverables satisfactory to MTC.

3. Please include information (date and outcome) on the Proposer's most recent pre-award audit, if applicable.
4. Provide the fully-loaded hourly rate for all personnel who might perform work related to Task 6 in *Appendix A, Scope of Work*.

H. California Levine Act Statement

Submit a signed Levine Act statement (*Appendix C*).

I. Insurance Provisions

Submit a signed acknowledgement that the Proposer agrees to provide the required certificates of insurance providing verification of the minimum insurance requirements listed in *Appendix D-1, Insurance Requirements*, within ten (10) days of MTC's notice to firm that it is the successful Proposer.

(See Section IX.B of the RFP for how to request exceptions to the minimum insurance requirements.)

J. Taxpayer Identification Number and Certification

Submit a W-9, Request for Taxpayer Identification Number and Certification (containing original signature) available at <http://www.irs.gov/pub/irs-pdf/fw9.pdf>.

VIII. PROPOSAL EVALUATION

A. *Verification of Minimum Qualifications*

The MTC Project Manager will review proposals to ensure that each proposal meets the Minimum Qualifications set out in Section II, Proposer Minimum Qualifications of this RFP. Proposers failing to meet the Minimum Qualifications will not be considered.

B. *Review for General Responsiveness*

The MTC Project Manager, in consultation with the MTC's Office of General Counsel, will conduct an initial review of the proposals for general responsiveness and inclusion of the items requested in Section VII, Form of Proposal. Proposers failing to meet the Minimum

Qualifications listed in this RFP or to satisfy the federal Disadvantaged Business Enterprise (DBE) requirements (if applicable), will not be considered responsive. Also, any proposal that does not include enough information to permit the evaluators to rate the proposal in any one of the evaluation factors listed below will be considered non-responsive and will not be evaluated. A proposal that fails to include one or more items requested in Section VII, Form of Proposal may be considered responsive, if evaluation in every criterion is possible. MTC reserves the right to request additional information from responsive Proposers prior to evaluation.

C. Evaluation Panel and Evaluation Criteria

Responsive proposals will then be evaluated by an evaluation panel of MTC and partner agency staff. The evaluation of the proposals shall be within the sole judgment and discretion of the evaluation panel.

All contact during the evaluation phase shall be through the MTC Project Manager only. Proposers shall neither contact nor lobby any evaluation panel members during the evaluation process. Any attempt by Proposer to contact and/or influence members of the evaluation panel may result in disqualification of Proposer.

Responsive proposals shall be evaluated on the basis of the following evaluation factors, with their relative importance indicated by percentages:

1. Individual and team expertise and experience providing technical consulting services that demonstrate the Proposer possess the qualifications needed to successfully carry out the project. (30%)
2. Approach to completing the project, including but not limited to: proposed approach to project tasks; project management plan; cost control ideas; insight on potential obstacles to Scope of Work completion; and approach to issue resolution. (30%)
3. Communication skills based on proposal and interview, if held (30%)
4. Cost effectiveness, including hours and appropriateness of personnel assigned to each task; extent and sufficiency of commitment of key personnel; approach to and cost efficiency of required travel for non-local personnel; hourly rates; reasonableness of task budget. (10%)

D. Proposer Discussions

Following the initial evaluation, the evaluation panel may elect to recommend award to a particular Proposer (with or without interviews), or to enter into discussions with a “short list” of Proposers, consisting of those Proposers reasonably likely, in the opinion of the panel, to be awarded the contract.

The purpose of discussions with a Proposer on the “short list” will be to identify to that Proposer’s specific deficiencies and weaknesses in its proposal and to provide the Proposer with the opportunity to consider possible approaches to alleviating or eliminating them. These deficiencies or weaknesses may include such things as technical issues, management approach, cost, or team composition. Discussions may take place through written correspondence and/or

during face-to-face interviews. The Proposer's project manager, as well as other key personnel identified by the evaluation panel, will be expected to participate in any discussions. A Proposer on the "short list" invited to participate in discussions will be expected to provide a presentation limited to 20 minutes consisting of an overview of its approach to the Project.

IX. GENERAL CONDITIONS

A. Award

Any award made will be to the Proposer whose proposal is most advantageous to MTC based on the evaluation criteria defined in Section VIII. If the selected firm fails to enter into a contract with MTC in a timely manner as determined by MTC, in accordance with the terms and conditions of this RFP, MTC reserves the right to reject the proposal of the selected firm and enter into a contract with the next highest scoring firm.

B. Contract Arrangements

MTC Standard Consultant Contract is attached as *Appendix D*. If a Proposer wishes to propose a change to any standard MTC contract provision, the provision and the proposed alternative language must be submitted prior to the closing date for receipt of requests for clarifications/exceptions. If no such change is requested, the Proposer will be deemed to accept MTC's standard contract provisions, unless such language is protested in accordance with Section C below.

The selected Consultant will be required to maintain insurance coverage, during the term of the contract, at the levels described in *Appendix D-1, Insurance Requirements*. Proposer agrees to provide the required certificates of insurance providing verification of the minimum insurance requirements in *Appendix D-1*, within ten (10) business days of MTC's notice that it is the successful Proposer. Requests to change MTC's insurance requirements should be submitted on or prior to the closing date for receipt of requests for clarifications/exceptions. MTC will review the requests and issue an addendum if material changes requested by a prospective Proposer are acceptable. Objections to MTC determinations on requests to change insurance requirements pursuant to the protest provisions of this RFP must be brought to MTC's attention no later than the deadline for protesting RFP provisions or compliance with all material insurance requirements will be assumed.

The contract resulting from this RFP will be a combination of firm-fixed price for Tasks 1 through 5 in *Appendix A, Scope of Work*, and task order (for Task 6). Task orders may be established on a firm-fixed price or time and materials basis.

C. Selection Disputes

A Proposer may object to a provision of the RFP on the grounds that it is arbitrary, biased, or unduly restrictive, or to the selection of a particular Proposer on the grounds that MTC procedures, the provisions of the RFP or applicable provisions of federal, state or local law have been violated or inaccurately or inappropriately applied by submitting to the Project Manager a written explanation of the basis for the protest:

1. No later than 4:00 p.m. on the third business day prior to the date proposals are due, for objections to RFP provisions; or
2. No later than 4:00 p.m. on the third business day after the date the firm is notified that it did not meet the minimum qualifications or was found to be non-responsive; or
3. No later than 4:00 p.m. on the third business day after the date on which the firm is notified that it was not selected, or if applicable the date the appropriate committee authorizes award, whichever is later, for objections to Proposer selection.

Except with regard to initial determinations of non-responsiveness, the evaluation record shall remain confidential until the MTC Executive Director authorizes award.

Protests of recommended awards must clearly and specifically describe the basis for the protest in sufficient detail for the MTC review officer to recommend a resolution to the MTC Section Director.

The MTC Section Director responsible for the procurement will respond to the protest in writing, based on the recommendation of a staff review officer. Should a Proposer wish to appeal the decision of the MTC Section Director, it may file a written appeal with the MTC Executive Director, no later than 4:00 p.m. on the third business day after receipt of the written response from the Section Director. The MTC Executive Director's decision will be the final agency decision.

Authorization to award an agreement to a particular Proposer by MTC shall be deemed conditional until the expiration of the protest period or, if a protest is filed, the issuance of a written response to the protest by the MTC Section Director or, if the decision of the MTC Section Director is appealed, the issuance of the MTC Executive Director's decision.

D. Public Records

This RFP and any material submitted in response to this RFP are subject to public inspection under the California Public Records Act (Government Code §6250 *et seq.*), unless exempt by law. Other than proprietary information or other information exempt from disclosure by law, the content of proposals submitted to MTC will be made available for inspection consistent with its policy regarding Public Records Act requests.

If the Proposer believes any proposal content contains trade secrets or other proprietary information that the Proposer believes would cause substantial injury to the Proposer's competitive position if disclosed, the Proposer may request that MTC withhold from disclosure such proprietary materials by marking each page containing proprietary information, including financial information, if any, required to be submitted under Section VII of this RFP, as confidential and shall include the following notice at the front of its proposal:

“The data on the following pages of this proposal, including financial information submitted under Section VII of the RFP marked along the right margin with a vertical line, contain technical or financial information that constitute trade secrets and/or that, if disclosed, would cause substantial injury to the Proposer's competitive position. The Proposer requests that such data be used for review by

MTC only, but understands that exemption from disclosure will be limited by MTC's obligations under the California Public Records Act. If an agreement is awarded to the Proposer submitting this proposal, MTC shall have the right to use or disclose the data, unless otherwise provided by law. [List pages]."

Failure to include this notice with relevant page numbers shall render any "confidential/proprietary" markings inadequate. Individual pages shall accordingly not be treated confidentially. **Any language purporting to render the entire proposal confidential or proprietary will be regarded as ineffective and will be disregarded. In addition, the Proposer may not designate any required proposal forms or the cost proposal as confidential. Consequently, any language purporting to render any proposal forms or the cost proposal as confidential or proprietary will be regarded as ineffective and will be disregarded.**

In the event properly marked data is requested pursuant to the California Public Records Act, the Proposer will be advised of the request. If the proposal requests that MTC withhold such data from disclosure and MTC complies with the Proposer's request, the Proposer shall assume all responsibility for any challenges resulting from the non-disclosure; indemnify and defend MTC and hold it harmless from and against all claims, legal proceedings, and resulting damages and costs (including but not limited to attorneys' fees that may be awarded to the party requesting such Proposer information); and pay any and all costs and expenses relating to the withholding of the Proposer information.

If the Proposer does not mark each page containing proprietary information as confidential, does not include the statement described above at the front of its proposal, and does not request that MTC withhold information marked as confidential and requested under the California Public Records Act, MTC shall have no obligation to withhold the information from disclosure, and the Proposer shall not have a right to make a claim or maintain any legal action against MTC or its commissioners, officers, employees or agents in connection with such disclosure.

E. Key Personnel

Key Proposer personnel assigned to the project are expected to remain on the project. Any change in key personnel on the proposed project team is subject to prior written approval of MTC. Removal of any key personnel identified in the proposal without written consent of the MTC Project Manager may be considered a material breach of contract.

F. Conflicts Of Interest

By submitting a proposal, the Proposer represents and warrants that no commissioner, officer or employee of MTC is in any manner interested directly or indirectly in the proposal or in the contract that may be made under it or in any profits expected to arise therefrom, as set forth in California Government Code Section 1090.

The Proposer further warrants and represents that it presently has no interest and agrees that it will not acquire any interest that would present a conflict of interest under California Government Code Sections 1090 *et seq.* or 87100 *et seq.* during the performance of services under any contract resulting from this RFP and that it will not knowingly employ any person having such an interest. Violation of this provision may result in the contract being deemed void and unenforceable.

Whenever MTC is awarding a contract that involves the rendering of advice, it will consider whether there exists the potential for bias, because of other activities, relationships or contracts of the Proposer, and if so, whether any potential bias can be mitigated acceptably by MTC and the Proposer. After award, the winning Proposer shall take all reasonable measures to preclude the existence or development of an organizational conflict of interest in connection with work performed under the agreement resulting from this and other MTC solicitations. An organizational conflict of interest occurs when, due to other activities, relationships, or contracts, a firm or person is unable, or potentially unable, to render impartial assistance or advice to MTC; a firm or person's objectivity in performing the contract work is or might be impaired; or a firm or person has an unfair competitive advantage in proposing for award of a contract as a result of information gained in performance of this or some other project.

Proposer shall not engage the services of any subcontractor or independent contractor on any work related to this RFP if the subcontractor or independent contractor, or any employee of the subcontractor or independent contractor, has an actual or apparent organizational conflict of interest related to work or services contemplated under this RFP.

J. Payment, Sub-Contractor and Prevailing Wage Information

Proposer agrees to submit payment, sub-contractor utilization and if applicable certified payroll information for contracts with prevailing wage requirements via a web-based system designated by MTC to which MTC will provide system access.

CONSULTANT agrees to perform or secure the performance of all specified services within the maximum payment specified in Article 3, subject to the prior written approval of a work plan by **David Ory**, (herein called "MTC Project Manager"). As MTC Project Manager, **David Ory** is responsible for communication with CONSULTANT and the administration of this Agreement. MTC's Executive Director or designated representative may substitute a new MTC Project Manager by written notice to CONSULTANT.

In the performance of its services, CONSULTANT represents that it has and will exercise the degree of professional care, skill, efficiency, and judgment of consultants with special expertise in providing such services, and CONSULTANT represents that it carries and will maintain all applicable licenses, certificates, and registrations needed for the work in current and good standing.

4. KEY PERSONNEL

The key personnel to be assigned to this work by CONSULTANT and, if applicable, their hourly rates and the estimated hours to be supplied by each are set forth in Attachment D, Key Personnel Assignments, attached hereto and incorporated herein by this reference. Substitution of any of the personnel named in Attachment D or a decrease in the hours provided to the project by such personnel of more than 10% requires the prior written approval of the MTC Project Manager or a designee. CONSULTANT shall maintain records documenting compliance with this Article, and such records shall be subject to the audit requirements of Article 15. CONSULTANT agrees that all personnel assigned to this work will be professionally qualified

for the assignment to be undertaken. MTC reserves the right to direct removal of any individual, including key personnel, assigned to this work.

5. AMENDMENTS

MTC reserves the right to request changes in the services to be performed by CONSULTANT. All such changes shall be incorporated in written amendments that specify the changes in work performed and any adjustments in compensation and schedule. All amendments shall be executed by the Executive Director or a designated representative and CONSULTANT and specifically identified as amendments to the Agreement. The MTC Project Manager is not a designated representative, for purposes of approving an amendment.

6. TERMINATION

A. Termination for Convenience. MTC may terminate this Agreement for convenience, in whole or in part, at any time by written notice to CONSULTANT. Upon receipt of notice of termination, CONSULTANT shall stop work under this Agreement immediately, to the extent provided in the notice of termination, and shall promptly submit its termination claim to MTC. CONSULTANT shall be reimbursed for costs incurred for incomplete deliverables up to the time of termination and a reasonable profit not to exceed __%, plus reasonable termination costs, not to exceed the amount payable for such deliverables. For terminated deliverables-based Task Orders, CONSULTANT shall be reimbursed for costs incurred for incomplete deliverables up to the time of termination and a reasonable profit not to exceed __%, plus reasonable termination costs, not to exceed the amount payable for such deliverables. For terminated time-and-materials Task Orders, CONSULTANT shall be paid for hours worked, plus authorized expenses and reasonable termination costs, not to exceed the maximum amount payable under the terminated Task Order. If CONSULTANT has any property in its possession belonging to MTC, CONSULTANT will account for the same, and dispose of it in the manner MTC directs. Except as provided above, MTC shall not in any manner be liable for CONSULTANT's actual or projected lost profits had CONSULTANT completed the services required by this Agreement.

B. Termination for Default. If CONSULTANT does not deliver the work products specified in this Agreement in accordance with the delivery schedule or fails to perform in the manner called for in the Agreement, or if CONSULTANT fails to comply with any other material provision of the Agreement, MTC may terminate this Agreement for default. Termination shall be effected by serving a fifteen (15) day advance written notice of termination on CONSULTANT, setting forth the manner in which CONSULTANT is in default. If CONSULTANT does not cure the breach or describe to MTC's satisfaction a plan for curing the breach within the fifteen (15) day period, MTC may terminate the Agreement for default. In the event of such termination for default, CONSULTANT will be entitled to be reimbursed only for

work performed in full compliance with the contract requirements as follows: CONSULTANT shall be reimbursed for costs incurred for incomplete deliverables up to the time of termination, not to exceed the amount payable for such deliverables. For terminated deliverables-based Task Orders, CONSULTANT shall be reimbursed for costs incurred for incomplete deliverables up to the time of termination, not to exceed the amount payable for such deliverables. For terminated time-and-materials Task Orders, CONSULTANT shall be paid for hours worked, plus authorized expenses, not to exceed the maximum payable under the terminated Task Order. Such reimbursement will be offset by any costs incurred by MTC to complete work required under the Agreement. In no event shall MTC be required to reimburse CONSULTANT for any costs incurred for work causing or contributing to the default. If CONSULTANT has any property in its possession belonging to MTC, CONSULTANT will account for the same, and dispose of it in the manner MTC directs. MTC shall not in any manner be liable for CONSULTANT's actual or projected lost profits had CONSULTANT completed the services required by this Agreement.

C. If it is determined by MTC that CONSULTANT's failure to perform resulted from unforeseeable causes beyond the control of CONSULTANT, such as a strike, fire, flood, earthquake or other event that is not the fault of, or is beyond the control of CONSULTANT, MTC, after setting up a new delivery or performance schedule, may allow CONSULTANT to continue work, or treat the termination as a termination for convenience.

7. INSURANCE AND FINANCIAL SECURITY REQUIREMENTS

CONSULTANT shall, at its own expense, obtain and maintain in effect at all times for the duration of this Agreement the types of insurance and financial security listed in Attachment E, Insurance and Financial Security (Bond) Provisions, attached hereto and incorporated herein, against claims, damages and losses due to injuries to persons or damage to property or other losses that may arise in connection with the performance of work under this Agreement. All insurance must be placed with insurers with a Best's rating of A-VIII or better.

8. INDEPENDENT CONTRACTOR

CONSULTANT is an independent contractor and not an employee or agent of MTC and has no authority to contract or enter into any agreement in the name of MTC. CONSULTANT has, and hereby retains, full control over the employment, direction, compensation and discharge of all persons employed by CONSULTANT who are assisting in the performance of services under this Agreement. CONSULTANT shall be fully responsible for all matters relating to the payment of its employees, including compliance with social security, withholding tax and all other laws and regulations governing such matters. CONSULTANT shall be responsible for its own acts and those of its agents and employees during the term of this Agreement.

9. INDEMNIFICATION

To the maximum extent permitted by law, CONSULTANT shall indemnify, keep and hold harmless MTC and those entities (if any) identified as additional insureds in Attachment E, Insurance and Financial Security (Bond) Provisions, and their commissioners, directors, officers, agents, and employees (“MTC Indemnified Parties”) against any and all demands, claims, suits or actions arising out of any of the following:

A. Any injury or death to persons or property or pecuniary, financial or economic losses that may occur, or that may be alleged to have occurred, caused by any breach of the Agreement or negligent act or omission or willful misconduct of CONSULTANT or its officers, employees, subconsultants or agents or any of them, arising from, under or in connection with this Agreement; or

B. Any allegation that materials or services provided by CONSULTANT under this Agreement infringe or violate any copyright, trademark, patent, trade secret, or any other intellectual-property or proprietary right of any third party.

CONSULTANT further agrees to defend any and all such claims, actions, suits or other legal proceedings and pay all charges of attorneys and all other costs and expenses of defenses as they are incurred. If any judgment is rendered against any of the MTC Indemnified Parties, CONSULTANT shall, at its expense, satisfy and discharge the same.

The provisions set forth in this Article are intended to be applied to the fullest extent allowed under the law and, if any portion of it is found to be void or unenforceable, the remainder is to be severable and enforceable. This indemnification shall survive termination or expiration of this Agreement.

10. DATA TO BE FURNISHED BY MTC

All data, reports, surveys, studies, drawings, software (object or source code), electronic databases, and any other information, documents or materials (“MTC Data”) made available to CONSULTANT by MTC for use by CONSULTANT in the performance of its services under this Agreement shall remain the property of MTC and shall be returned to MTC at the completion or termination of this Agreement. No license to such MTC Data, outside of the Scope of Work of the Project, is conferred or implied by CONSULTANT’s use or possession of such MTC Data. Any updates, revisions, additions or enhancements to such MTC Data made by CONSULTANT in the context of the Project shall be the property of MTC and subject to the provisions of Article 11.

11. OWNERSHIP OF WORK PRODUCTS

All drawings, designs, specifications, manuals, reports, studies, surveys, models, software, source code and source code documentation, documentation or system architecture and

any other documents, materials, data and products (“Work Products”) prepared or assembled and furnished to MTC by CONSULTANT or its subconsultants pursuant to this Agreement shall be and are the property of MTC. MTC shall be entitled to copies and access to these materials during the progress of the work. Any such materials remaining in the hands of CONSULTANT or in the hands of any subconsultant upon completion or termination of the work shall be immediately delivered to MTC. CONSULTANT hereby assigns to MTC ownership of any and all rights, title and interest in and to such Work Products, including ownership of any copyright, patent, trademark, trade secret, or other intellectual property or proprietary rights in the Work Product. CONSULTANT also agrees to execute all papers necessary for MTC to perfect its ownership of the rights in the Work Product. Notwithstanding the above, “Work Products” are not intended nor shall they be construed to include CONSULTANT’S pre-existing intellectual property secured, developed, written, or produced by CONSULTANT prior to the execution of this Agreement or developed concurrently with this Agreement but not specifically for this Agreement; CONSULTANT shall retain all right, title and interest in any such pre-existing intellectual property.

CONSULTANT shall be responsible for the preservation of any and all such Work Products prior to transmittal to MTC, and CONSULTANT shall replace any such Work Products as are lost, destroyed, or damaged while in its possession without additional cost to MTC.

CONSULTANT represents and warrants that all materials prepared under this Agreement are original or developed from materials in the public domain (or both) and that all materials prepared under and services provided under this Agreement do not infringe or violate any copyright, trademark, patent, trade secret, or other intellectual-property or proprietary right of any third party.

12. SUBCONTRACTS

A. Subconsultants approved by MTC for subcontract work under this Agreement are listed in Attachment G, Subconsultant List, attached hereto and incorporated herein by this reference. Any subconsultants must be engaged under written contract with CONSULTANT with provisions allowing CONSULTANT to comply with all requirements of this Agreement, including without limitation Article 11, OWNERSHIP OF WORK PRODUCTS. Failure of a subconsultant to provide insurance in accordance with Article 7, INSURANCE REQUIREMENTS, shall be at the risk of CONSULTANT. Any substitution of subconsultants listed in Attachment G must be approved in writing by MTC’s Project Manager in advance of assigning work to a substitute subconsultant.

B. Nothing contained in this Agreement or otherwise, shall create any contractual relation between MTC and any subconsultants, and no subcontract shall relieve CONSULTANT of his/her responsibilities and obligations hereunder. CONSULTANT agrees to be as fully

responsible to MTC for the acts and omissions of its subconsultants and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by CONSULTANT. CONSULTANT's obligation to pay its subconsultants is an independent obligation from MTC's obligation to make payments to CONSULTANT.

C. Applicable provisions of this Agreement shall be included in any subcontract or subconsultant agreement in excess of \$25,000 entered into under of this Agreement.

13. ASSIGNMENT OF AGREEMENT

CONSULTANT shall not assign this Agreement, or any part hereof without prior express written consent of the MTC Project Manager or a designated representative, and any attempt thereat shall be void and unenforceable.

14. RECORDS

CONSULTANT agrees to establish and maintain an accounting system conforming to Generally Accepted Accounting Principles (GAAP) that is adequate to accumulate and segregate reasonable, allowable, and allocable project costs. CONSULTANT further agrees to keep all records pertaining to the project being funded for audit purposes for a minimum of four (4) years following the fiscal year of last expenditure under the Agreement; or until completion of any litigation, claim or audit, whichever is longer.

15. AUDITS

CONSULTANT shall permit MTC and MTC's authorized representatives to have access to CONSULTANT's books, records, accounts, and any and all work products, materials, and other data relevant to this Agreement, for the purpose of making an audit, examination, excerpt and transcription during the term of this Agreement and for the period specified in Article 14. CONSULTANT shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, work products, materials and data for that period of time.

CONSULTANT further agrees to include in all its subcontracts hereunder exceeding \$25,000 a provision to the effect that the subconsultant agrees that MTC or any of MTC's duly authorized representatives shall have access to and the right to examine any directly pertinent books, documents, papers, and records of such subconsultant for the term specified above.

16. NOTICES

17. SOLICITATION OF CONTRACT

CONSULTANT warrants that it has not employed or retained any company or persons, other than a bona fide employee working solely for CONSULTANT, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person other than bona fide employees working solely for CONSULTANT, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon or resulting from the award or making of the Agreement. For breach or violation of this warranty, MTC shall have the right to terminate the Agreement without liability or, at its discretion, the right to deduct from CONSULTANT's maximum payment the full amount of such fee, commission, percentage, brokerage fee, gift or contingent consideration.

18. PROHIBITED INTERESTS

CONSULTANT covenants that it presently has no interest and shall not acquire any interest, direct or indirect, that would conflict in any manner or degree or have the potential of conflicting with the performance of services required under the Agreement or the impartial rendering of assistance or advice to MTC. CONSULTANT further covenants that in the performance of the Agreement no person having any such interest shall be employed.

No member, officer, employee or agent of MTC, during his/her tenure shall have any prohibited interest as defined by California Government Code Sections 1090, *et seq.* and 87100 *et seq.*, direct or indirect, in the Agreement or the proceeds thereof. Prohibited interests include interests of immediate family members, domestic partners, and their employers or prospective employers. Accordingly, CONSULTANT further covenants that it has made a complete disclosure to MTC of all facts of which CONSULTANT is aware upon due inquiry bearing upon any possible interest, direct or indirect, that it believes any member, officer, agent or employee of MTC (or an immediate family member, domestic partner or employer or prospective employer of such member, officer, agent or employee) presently has, or will have in the Agreement, or in

the performance thereof, or in any portion of the profits thereunder. Willful failure to make such disclosure, if any, shall constitute grounds for cancellation and termination hereof by MTC.

18.1 ORGANIZATIONAL CONFLICTS OF INTEREST

CONSULTANT shall take all reasonable measures to preclude the existence or development of an organizational conflict of interest in connection with work performed under this Agreement. An organizational conflict of interest occurs when, due to other activities, relationships, or contracts, a firm or person is unable, or potentially unable, to render impartial assistance or advice to MTC; a firm or person's objectivity in performing the contract work is or might be impaired; or a firm or person has an unfair competitive advantage in proposing for award of a contract as a result of information gained in performance of this or some other Agreement.

CONSULTANT shall not engage the services of any subconsultant or independent contractor on any work related to this Agreement if the subconsultant or independent contractor, or any employee of the subconsultant or independent contractor, has an actual or apparent organizational conflict of interest related to work or services contemplated under this Agreement.

If at any time during the term of this Agreement CONSULTANT becomes aware of an organizational conflict of interest in connection with the work performed hereunder, CONSULTANT shall immediately provide MTC with written notice of the facts and circumstances giving rise to this organizational conflict of interest. CONSULTANT's written notice will also propose alternatives for addressing or eliminating the organizational conflict of interest. If at any time during the period of performance of this Agreement, MTC becomes aware of an organizational conflict of interest in connection with CONSULTANT's performance of the work hereunder, MTC shall similarly notify CONSULTANT. In the event a conflict is presented, whether disclosed by CONSULTANT or discovered by MTC, MTC will consider the conflict presented and any alternatives proposed and meet with CONSULTANT to determine an appropriate course of action. MTC's determination as to the manner in which to address the conflict shall be final.

Failure to comply with this section may subject CONSULTANT to damages incurred by MTC in addressing organizational conflicts that arise out of work performed by CONSULTANT, or to termination of this Agreement for breach.

19. LAWS AND REGULATIONS

CONSULTANT shall comply with any and all applicable laws, statutes, ordinances, rules, regulations, and procedural requirements of any national, state, or local government, and of any agency of any such government, including but not limited to MTC, that relate to or in any manner affect the performance of the Agreement. Those laws, statutes, ordinances, rules,

regulations and procedural requirements that are imposed on MTC as a recipient of federal or state funds are hereby in turn imposed on CONSULTANT.

20. CLAIMS OR DISPUTES

CONSULTANT shall be solely responsible for providing timely written notice to MTC of any claims for additional compensation and/or time in accordance with the provisions of the Agreement. It is MTC's intent to investigate and attempt to resolve any CONSULTANT claims before CONSULTANT has performed any disputed work. Therefore, CONSULTANT's failure to provide timely notice shall constitute a waiver of CONSULTANT's claims for additional compensation and/or time.

CONSULTANT shall not be entitled to the payment of any additional compensation for any cause, including any act, or failure to act, by MTC, or the failure or refusal to issue a modification, or the happening of any event, thing, or occurrence, unless it has given MTC due written notice of a potential claim. The potential claim shall set forth the reasons for which CONSULTANT believes additional compensation may be due, the nature of the costs involved, and the amount of the potential claim.

Such notice shall be given to MTC prior to the time that CONSULTANT has started performance of the work giving rise to the potential claim for additional compensation.

If there is a dispute over any claim, CONSULTANT shall continue to work during the dispute resolution process in a diligent and timely manner as directed by MTC, and shall be governed by all applicable provisions of the Agreement. CONSULTANT shall maintain cost records of all work that is the basis of any dispute.

If an agreement can be reached that resolves CONSULTANT's claim, the parties will execute an Agreement modification to document the resolution of the claim. If the parties cannot reach an agreement with respect to CONSULTANT's claim, they may choose to pursue dispute resolution pursuant to Article 24, DISPUTE RESOLUTION, or MTC may terminate the Agreement.

21. REMEDIES FOR BREACH

In the event CONSULTANT fails to comply with the requirements of the Agreement in any way, MTC reserves the right to implement administrative remedies that may include, but are not limited to, withholding of progress payments and contract retentions, and termination of the Agreement in whole or in part.

The duties and obligations imposed by the Agreement and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by MTC or CONSULTANT shall constitute a waiver of any right or duty afforded any of them under the

Agreement, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

22. TEMPORARY SUSPENSION OF WORK

MTC, in its sole discretion, reserves the right to stop or suspend all or any portion of the work for such period as MTC may deem necessary. The suspension may be due to the failure on the part of CONSULTANT to carry out orders given or to perform any provision of the Agreement or to factors that are not the responsibility of CONSULTANT. CONSULTANT shall comply immediately with the written order of MTC to suspend the work wholly or in part. The suspended work shall be resumed when CONSULTANT is provided with written direction from MTC to resume the work.

If the suspension is due to CONSULTANT's failure to perform work or carry out its responsibilities in accordance with this Agreement, or other action or omission on the part of CONSULTANT, all costs shall be at CONSULTANT's expense and no schedule extensions will be provided by MTC.

In the event of a suspension of the work, CONSULTANT shall not be relieved of CONSULTANT's responsibilities under this Agreement, except the obligations to perform the work that MTC has specifically directed CONSULTANT to suspend under this section.

If the suspension is not the responsibility of CONSULTANT, suspension of all or any portion of the work under this Section may entitle CONSULTANT to compensation and/or schedule extensions subject to the Agreement requirements.

23. WARRANTY OF SERVICES

A. In the performance of its services, CONSULTANT represents and warrants that it has and will exercise the degree of professional care, skill, efficiency, and judgment of consultants with special expertise in providing such services, and that it carries and will maintain all applicable licenses, certificates, and registrations needed for the work in current and good standing.

B. In the event that any services provided by CONSULTANT hereunder are deficient because of CONSULTANT's or a subconsultant's failure to perform said services in accordance with the warranty standards set forth above, MTC shall report such deficiencies in writing to CONSULTANT within a reasonable time. MTC thereafter shall have:

1. The right to have CONSULTANT re-perform such services at CONSULTANT's expense; or
2. The right to have such services done by others and the costs thereof charged to and collected from CONSULTANT if within 30 days after written notice to CONSULTANT

requiring such re-performance, CONSULTANT fails to give satisfactory evidence to MTC that it has undertaken said re-performance; or

3. The right to terminate the Agreement for default.

CONSULTANT shall be responsible for all errors and omissions and is expected to pay for all deficient work as a result of errors and omissions.

24. DISPUTE RESOLUTION

A. Informal Resolution of Disputes. CONSULTANT and MTC shall use good faith efforts to resolve all disputes informally at the project manager level. In the event such efforts are unsuccessful, either party may request that MTC provide a written determination as to the proposed resolution of the dispute. Within twenty-one (21) calendar days of the request, the MTC Project Manager shall provide a written determination as to the dispute, including the basis for his or her decision. Upon CONSULTANT's written acceptance of the MTC Project Manager's determination, the Agreement may be modified and the determination implemented or, failing agreement, MTC may in its sole discretion pay such amounts and/or revise the time for performance in accordance with the MTC Project Manager's determination.

If the MTC Project Manager's determination is not accepted by CONSULTANT, the matter shall promptly be referred to senior executives of the parties having designated authority to settle the dispute. The senior executives will exchange memoranda stating the issues in dispute and their respective positions and then meet for negotiations at a mutually agreed time and place. If the matter has not been resolved within thirty (30) calendar days of commencement of senior management negotiations, the parties may mutually agree to try to settle the dispute by means of alternate dispute resolution methodologies, as set forth below.

B. Controversies Subject to Alternative Dispute Resolution. Any claim or controversy concerning the interpretation, application, or implementation of this Agreement between MTC and CONSULTANT that cannot be resolved through the informal efforts described above, may, by specific agreement of the parties, be submitted to alternative dispute resolution (that is, mediation or arbitration) with the parameters for such dispute resolution being agreed to by the parties at the time.

C. Other Remedies. If a dispute is not resolved through discussion or the parties do not agree to alternative dispute resolution, either party may pursue available legal remedies in a California State or Federal court of competent jurisdiction. CONSULTANT must file a government claim pursuant to Government Code section 910 *et seq.* in order to initiate a civil action.

D. Pending Resolution. CONSULTANT shall continue to work during the dispute resolution process in a diligent and timely manner as directed by MTC, and shall be governed by all applicable provisions of the Agreement.

E. Cost of Alternative Dispute Resolution Proceedings. Each party shall bear the costs and expenses incurred by it in connection with such alternative dispute resolution processes. The cost of any mediator or independent decision maker shall be shared equally between the parties.

F. Survival of this Article. This Article shall survive completion or termination of this Agreement, but under no circumstances shall either party call for an alternative dispute resolution of any claim or dispute arising out of this Agreement after such period of time as would normally bar the initiation of legal proceeding to litigate such claim or dispute under the laws of the State of California.

25. CHOICE OF LAW

All questions pertaining to the validity and interpretation of the Agreement shall be determined in accordance with the laws of the State of California applicable to agreements made and to be performed within the State.

26. ATTORNEYS' FEES

If any legal proceeding should be instituted by either of the parties to enforce the terms of this Agreement or to determine the rights of the parties under this Agreement, the prevailing party in said proceeding shall recover reasonable attorneys' fees, in addition to all court costs.

27. PARTIAL INVALIDITY

If any term or condition of this Agreement is found to be illegal or unenforceable, such term or condition shall be deemed stricken and the remaining terms and conditions shall remain valid and in full force and effect.

28. BENEFIT OF AGREEMENT

The Agreement shall bind and benefit the parties hereto and their heirs, successors, and permitted assigns.

29. NO THIRD PARTY BENEFICIARIES

This Agreement is not for the benefit of any person or entity other than the parties.

30. ENTIRE AGREEMENT; MODIFICATION

This Agreement, including any attachments, constitutes the complete agreement between the parties and supersedes any prior written or oral communications. CONSULTANT represents that in entering into the Agreement it has not relied on any previous representations, inducements, or understandings of any kind or nature. This Agreement may be modified or

amended only by written instrument signed by both CONSULTANT and MTC. In the event of a conflict between the terms and conditions of this Agreement and the attachments, the terms of this Agreement will prevail.

IN WITNESS WHEREOF, this Agreement has been executed by the parties hereto as of the day and year first written above.

Task Order Process

Detailed Task Order Process:

Task Orders will be numbered sequentially. The period of performance shall be as set forth in the individual Task Order. The process for developing, signing and tracking task orders is summarized as follows:

Step 1 – The MTC Project Manager (“MTC PM”) prepares a draft Task Order to issue to CONSULTANT. The MTC PM may solicit feedback from CONSULTANT to facilitate drafting the Task Order.

Step 2* – CONSULTANT prepares a proposal in response to the draft Task Order. A draft Task Order, as included in this Agreement as Attachment A-2, Task Order Form, attached hereto and incorporated herein by this reference, shall be provided to CONSULTANT for review and comment.

Step 3* – The MTC PM reviews CONSULTANT’s proposal to determine if it meets the objectives of the draft Task Order and if CONSULTANT’s proposed costs are reasonable. The MTC PM may solicit early feedback from the MTC Planning Director at this time, if necessary. Any changes to the draft Task Order deemed appropriate by MTC shall be incorporated in a draft Final Task Order.

Step 4* – The MTC PM forwards the draft Final Task Order to the MTC Contract Administrator for review and approval. Once approved, the MTC PM forwards two copies of the Task Order to the MTC Planning Director, for review and approval. The MTC Planning Director signs both copies of a Final Task Order to signify approval and returns them to the MTC PM.

Step 5 – The MTC PM sends both copies of the signed Final Task Order to CONSULTANT, who signs both copies and returns one to the MTC PM.

Step 6 – The MTC PM sends one copy of the fully executed Task Order to the MTC or MTC Task Lead who initiates work, and sends another copy to MTC Finance to encumber funds against the Task Order. The MTC PM keeps the original fully-executed Task Order for the official project record.

Step 7 – Any services added to the Agreement by a Task Order shall be subject to all applicable conditions of the Agreement. Revisions to Task Orders shall require written approval by both the MTC Planning Director and CONSULTANT. Revisions to Task Orders shall require written approval by both the MTC Planning Director and CONSULTANT.

Step 8 – The MTC PM is responsible for overseeing the successful conclusion of the Task Order, and will manage the progress of the work, track invoices against the Task Order budget, and track milestone completion against the Task Order schedule.

Step 9 – Once the MTC PM determines the Task Order is complete, the MTC PM will send written notification to CONSULTANT that the Task Order is complete and that all associated invoices are due to MTC within 30 days. Any balance of budget is made available to spend on future task orders at the MTC PM's discretion.

Step 10 – The MTC PM will annually assess the need for a Contract audit.

**The MTC Project Manager may revise the Task Order and/or CONSULTANT may be asked to revise the proposal based on feedback received during Steps 2 through 4.*

ATTACHMENT E**Insurance and Financial Security (Bond) Provisions****1. INSURANCE**

A. Minimum Coverages. The insurance requirements specified in this section shall cover CONSULTANT's own liability and the liability arising out of work or services performed under this Agreement by any subconsultants, subcontractors, suppliers, temporary workers, independent contractors, leased employees, or any other persons, firms or corporations that CONSULTANT authorizes to work under this Agreement (hereinafter referred to as "Agents.") CONSULTANT shall, at its own expense, obtain and maintain in effect at all times during the life of this Agreement the following types of insurance against claims, damages and losses due to injuries to persons or damage to property or other losses that may arise in connection with the performance of work under this Agreement.

CONSULTANT is also required to assess the risks associated with work to be performed by Agents under subcontract and to include in every subcontract the requirement that the Agent maintain adequate insurance coverage with appropriate limits and endorsements to cover such risks. To the extent that an Agent does not procure and maintain such insurance coverage, CONSULTANT shall be responsible for said coverage and assume any and all costs and expenses that may be incurred in securing said coverage or in fulfilling CONSULTANT's indemnity obligation as to itself or any of its Agents in the absence of coverage.

In the event CONSULTANT or its Agents procure excess or umbrella coverage to maintain certain requirements outlined below, these policies shall also satisfy all specified endorsements and stipulations, including provisions that CONSULTANT's insurance be primary without right of contribution from MTC. Prior to beginning work under this contract, CONSULTANT shall provide MTC with satisfactory evidence of compliance with the insurance requirements of this section.

1. Workers' Compensation Insurance with Statutory limits, and Employer's Liability Insurance with a limit of not less than \$1,000,000 per employee and \$1,000,000 per accident, and any and all other coverage of CONSULTANT's employees as may be required by applicable law. Such policy shall contain a Waiver of Subrogation in favor of MTC. Such Workers' Compensation & Employer's Liability may be waived, if and only for as long as CONSULTANT is a sole proprietor or a corporation with stock 100% owned by officers with no employees.

2. Commercial General Liability Insurance for Bodily Injury and Property Damage liability, covering the operations of CONSULTANT and CONSULTANT's officers, agents, and employees and with limits of liability which shall not be less than \$1,000,000 combined single limit per occurrence with a general aggregate liability of not less than

\$2,000,000, and Personal & Advertising Injury liability with a limit of not less than \$1,000,000. Such policy shall contain a Waiver of Subrogation in favor of MTC.

MTC and those entities listed in Part 3 of this Attachment E (if any), and their commissioners, directors, officers, representatives, agents and employees are to be named as additional insureds. Such insurance shall be primary and contain a Separation of Insureds Clause as respects any claims, losses or liability arising directly or indirectly from CONSULTANT's operations.

3. Business Automobile Insurance for all automobiles owned (if any), used or maintained by CONSULTANT and CONSULTANT's officers, agents and employees, including but not limited to owned (if any), leased (if any), non-owned and hired automobiles, with limits of liability which shall not be less than \$1,000,000 combined single limit per accident.

4. Umbrella Insurance in the amount of \$1,000,000 providing excess limits over Employer's Liability, Automobile Liability, and Commercial General Liability Insurance. Such umbrella coverage shall be following form to underlying coverage including all endorsements and additional insured requirements.

5. Errors and Omissions Professional Liability Insurance for errors and omissions and the resulting damages, including, but not limited to, economic loss to MTC and having minimum limits of \$1,000,000 per claim.

The policy shall provide coverage for all work performed by CONSULTANT and any work performed or conducted by any subcontractor/consultant working for or performing services on behalf of CONSULTANT. No contract or agreement between CONSULTANT and any subcontractor/consultant shall relieve CONSULTANT of the responsibility for providing this Errors & Omissions or Professional Liability coverage for all work performed by CONSULTANT and any subcontractor/consultant working on behalf of CONSULTANT on the project.

6. Property Insurance. Property Insurance covering CONSULTANT'S own business personal property and equipment to be used in performance of this Agreement, materials or property to be purchased and/or installed on behalf of MTC (if any), and builders risk for property in the course of construction (if applicable). Coverage shall be written on a "Special Form" policy that includes theft, but excludes earthquake, with limits at least equal to the replacement cost of the property. Such policy shall contain a Waiver of Subrogation in favor of MTC.

B. Acceptable Insurers. All policies will be issued by insurers acceptable to MTC, generally with a Best's Rating of A-VIII or better.

C. Self-Insurance. CONSULTANT's obligation hereunder may be satisfied in whole or in part by adequately funded self-insurance, upon evidence of financial capacity satisfactory to MTC.

D. Deductibles and Retentions. CONSULTANT shall be responsible for payment of any deductible or retention on CONSULTANT's policies without right of contribution from MTC. Deductible and retention provisions shall not contain any restrictions as to how or by whom the deductible or retention is paid. Any deductible or retention provision limiting payment to the Named Insured is unacceptable.

In the event that MTC seeks coverage as an additional insured under any CONSULTANT insurance policy that contains a deductible or self-insured retention, CONSULTANT shall satisfy such deductible or self-insured retention to the extent of loss covered by such policy, for any lawsuit arising from or connected with any alleged act of CONSULTANT, subconsultant, subcontractor, or any of their employees, officers or directors, even if CONSULTANT or subconsultant is not a named defendant in the lawsuit.

E. Claims Made Coverage. If any insurance specified above is written on a "Claims-Made" (rather than an "occurrence") basis, then in addition to the coverage requirements above, CONSULTANT shall:

- (1) Ensure that the Retroactive Date is shown on the policy, and such date must be before the date of this Agreement or the beginning of any work under this Agreement;
- (2) Maintain and provide evidence of similar insurance for at least three (3) years following project completion, including the requirement of adding all additional insureds; and
- (3) If insurance is cancelled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the Agreement effective date, CONSULTANT shall purchase "extended reporting" coverage for a minimum of three (3) years after completion of the work.

F. Failure to Maintain Insurance. All insurance specified above shall remain in force until all work or services to be performed are satisfactorily completed, all of CONSULTANT's personnel, subconsultants, subcontractors, and equipment have been removed from MTC's property, and the work or services have been formally accepted. CONSULTANT must notify MTC if any of the above required coverages are non-renewed or cancelled. The failure to procure or maintain required insurance and/or an adequately funded self-insurance program will constitute a material breach of this Agreement.

G. Certificates of Insurance. Prior to commencement of any work hereunder, CONSULTANT shall deliver to MTC Certificates of Insurance verifying the aforementioned coverages. Such certificates shall make reference to all provisions and endorsements referred to above and shall be signed on behalf of the insurer by an authorized representative thereof.

H. Disclaimer. The foregoing requirements as to the types and limits of insurance coverage to be maintained by CONSULTANT are not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by CONSULTANT pursuant hereto, including, but not limited to, liability assumed pursuant to Article 9 of this Agreement.
