

REQUEST FOR QUALIFICATIONS (RFQ)

Question and Answer Document No. 2

Dated March 31, 2016

**LEGAL SERVICES FOR PROCUREMENT OF
NEXT-GENERATION CLIPPER® SYSTEM**

Q1: What is the significance of the \$450,000 budgeted amount? Is that a cap on the contract amount?

A1: This is MTC's estimated initial contract maximum amount for planning and budgeting purposes. However, this number does not, as presented in the RFQ, represent a cap on the ultimate contract amount. MTC expects the work under the contract to be performed on a time-and-materials basis; as such, if the approved agency budget does not fund full performance of the agreed-upon scope, the scope will need to be reduced or the budget augmented. Any such changes would be reflected in duly-executed contract amendments.
