RECITALS

WHEREAS, MTC intends to develop and operate the regional express lane network electronic toll services system manager (herein called "the Project"); and

WHEREAS, the services required for the Project cannot be performed satisfactorily by the officers and employees of MTC;

WHEREAS, MTC has obtained federal funds from the United States Department of Transportation ("U.S. DOT") to assist in financing the Project, and the federally-required clauses in Attachment H, Federally-Required Clauses, attached hereto and incorporated herein, apply to the Project; and

WHEREAS, the parties hereto now wish to enter into an agreement (the "Agreement") pursuant to which CONSULTANT will render professional services in connection with the Project as hereinafter provided.

NOW, THEREFORE, the parties hereto agree as follows:

1. **SCOPE OF SERVICES**

A general description of the tasks to be required of CONSULTANT is included in this Agreement as Attachment A, Scope of Work, attached hereto and incorporated herein by this reference. All required services shall be authorized by Task Order. All services described in a duly executed Task Order are hereby incorporated into the Agreement upon their execution. All Task Orders shall be developed according to the process established in Attachment A-1, Task

Order Process, attached hereto and incorporated herein, and should include, at a minimum, a completed form as shown in Attachment A-2, Task Order Form.

In the performance of its services, CONSULTANT represents that it has and will exercise the degree of professional care, skill, efficiency, and judgment of consultants with special expertise in providing such services, and CONSULTANT represents that it carries and will maintain all applicable licenses, certificates, and registrations needed for the work in current and good standing. CONSULTANT agrees to perform or secure the performance of all specified services in their entirety with respect to fully executed Task Orders within the Maximum Payment specified in Article 3. Lisa Klein (herein called "MTC Project Manager") is responsible for communication with CONSULTANT and the administration of this Agreement. MTC'S Executive Director or designated representative may substitute a new MTC Project Manager by written notice to CONSULTANT.

CONSULTANT's point of contact and the individual authorized to communicate to MTC on behalf of CONSULTANT is **___ INSERT NAME OF MTC PROJECT MANAGER ___** ("CONSULTANT Project Manager"). A change in the CONSULTANT Project Manager requires MTC written approval.

1.1 PROGRESS REPORTS

CONSULTANT shall provide MTC with [**INSERT FOR COST REIMBURSEMENT CONTRACTS OR AS NECESSARY: monthly**] progress reports according to the schedule and form approved by the MTC Project Manager.

2. PERIOD OF PERFORMANCE

CONSULTANT's services hereunder shall commence on or after _____, 201__, and shall be completed no later than _____, 201__, unless extended by duly executed amendment or earlier terminated, as hereinafter provided. CONSULTANT's services shall be performed in accordance with the schedule included in Attachment B, Project Schedule, attached hereto and incorporated herein by this reference. CONSULTANT's services shall be performed in accordance with the schedule included in each signed Task Order.

3. COMPENSATION AND METHOD OF PAYMENT

Subject to duly executed amendments, MTC will pay CONSULTANT for its services as described in duly executed Task Orders a total amount including (as applicable) labor, supervision, applicable surcharges such as taxes, insurance, and fringe benefits, indirect costs, overhead, profit, subcontractors costs (including mark-up), travel, equipment, materials and supplies, expenses and any fixed fee not to exceed **SPELL OUT AMOUNT IN WHOLE**

DOLLARS (\$_____) (“Maximum Payment”). MTC shall make payments to CONSULTANT in accordance with the provisions described in Attachment C, Compensation and Method of Payment, attached hereto and incorporated herein by this reference. A report on the Monthly Utilization of Disadvantaged Business Enterprises (DBE) First-Tier Subcontracts in the form set forth in Attachment H-3, attached hereto and incorporated herein, must be included with all invoices. MTC may withhold payment pending receipt of such report.

All invoices shall be made in writing and delivered or mailed to MTC as follows:

Attention: Accounting Section
Metropolitan Transportation Commission
Joseph P. Bort MetroCenter
101 - 8th Street
Oakland, CA 94607-4700

Payment shall be made by MTC within thirty (30) days of receipt of an acceptable invoice, approved by the Project Manager or a designated representative.

4. KEY PERSONNEL

The key personnel to be assigned to this work by CONSULTANT and, if applicable, their hourly rates and the estimated hours to be supplied by each are set forth in Attachment D, Key Personnel, attached hereto and incorporated herein by this reference. Substitution of any of the personnel named in Attachment D or a decrease in the hours provided to the project by such personnel of more than 10% requires the prior written approval of the Project Manager or a designee. CONSULTANT shall maintain records documenting compliance with this Article, which shall be subject to the audit requirements of Article 15. CONSULTANT agrees that all personnel assigned to this work will be professionally qualified for the assignment to be undertaken. MTC reserves the right to direct removal of any individual, including key personnel, assigned to this work.

5. AMENDMENTS

MTC reserves the right to request changes in the services to be performed by CONSULTANT. All such changes shall be incorporated in written amendments, which shall specify the changes in work performed and any adjustments in compensation and schedule. All amendments shall be executed by the Executive Director or a designated representative and CONSULTANT and specifically identified as amendments to the Agreement. The MTC Project Manager is not a designated representative, for purposes of approving an amendment.

6. TERMINATION

A. Termination for Convenience. MTC may terminate this Agreement, in whole or in part, at any time by written notice to CONSULTANT. Upon receipt of notice of termination, CONSULTANT shall stop work under this Agreement immediately, to the extent provided in the notice of termination, and shall promptly submit its termination claim to MTC. For terminated deliverables-based Task Orders, CONSULTANT shall be reimbursed for costs incurred for incomplete deliverables up to the time of termination and a reasonable profit not to exceed ___%, plus reasonable termination costs, not to exceed the amount payable for such deliverables. For terminated time-and-materials Task Orders, CONSULTANT shall be paid for hours work, plus authorized expenses and reasonable termination costs, not to exceed the maximum amount payable under the terminated Task Order. If CONSULTANT has any property in its possession belonging to MTC, CONSULTANT will account for the same, and dispose of it in the manner MTC directs. Except as provided above, MTC shall not in any manner be liable for CONSULTANT's actual or projected lost profits had CONSULTANT completed the services required by this Agreement.

B. Termination for Default. If CONSULTANT does not deliver the work products specified in this Agreement in accordance with the delivery schedule or fails to perform in the manner called for in the Agreement, or if CONSULTANT fails to comply with any other material provision of the Agreement, MTC may terminate this Agreement for default. Termination shall be effected by serving a fifteen (15) day advance written notice of termination on CONSULTANT, setting forth the manner in which CONSULTANT is in default. If CONSULTANT does not cure the breach or describe to MTC's satisfaction a plan for curing the breach within the fifteen (15) day period, MTC may terminate the Agreement for default. In the event of such termination for default, CONSULTANT will be entitled to be reimbursed only for work performed in full compliance with the contract requirements as follows. For terminated deliverables-based Task Orders, CONSULTANT shall be reimbursed for costs incurred for incomplete deliverables up to the time of termination, not to exceed the amount payable for such deliverables. For terminated time-and-materials Task Orders, CONSULTANT shall be paid for hours work, plus authorized expenses, not to exceed the maximum payable under the terminated Task Order. Such reimbursement will be offset by any costs incurred by MTC to complete work required under the Agreement. In no event shall MTC be required to reimburse CONSULTANT for any costs incurred for work causing or contributing to the default. If CONSULTANT has any property in its possession belonging to MTC, CONSULTANT will account for the same, and dispose of it in the manner MTC directs. MTC shall not in any manner be liable for the

CONSULTANT's actual or projected lost profits had the CONSULTANT completed the services required by this Agreement.

C. If it is determined by MTC that CONSULTANT's failure to perform resulted from unforeseeable causes beyond the control of CONSULTANT, such as a strike, fire, flood, earthquake or other event that is not the fault of, or is beyond the control of CONSULTANT, MTC, after setting up a new delivery or performance schedule, may allow CONSULTANT to continue work, or treat the termination as a termination for convenience.

7. INSURANCE AND FINANCIAL SECURITY REQUIREMENTS

CONSULTANT shall, at its own expense, obtain and maintain in effect at all times during the life of this Agreement the types of insurance and financial security listed in Attachment E, Insurance and Financial Security (Bond) Provisions, attached hereto and incorporated herein, against claims, damages and losses due to injuries to persons or damage to property or other losses that may arise in connection with the performance of work under this Agreement. All insurance must be placed with insurers with a Best's rating of A-VIII or better.

8. INDEPENDENT CONTRACTOR

CONSULTANT is an independent contractor and not an employee or agent of MTC and has no authority to contract or enter into any agreement in the name of MTC. CONSULTANT has, and hereby retains, full control over the employment, direction, compensation and discharge of all persons employed by CONSULTANT who are assisting in the performance of services under this Agreement. CONSULTANT shall be fully responsible for all matters relating to the payment of its employees, including compliance with social security, withholding tax and all other laws and regulations governing such matters. CONSULTANT shall be responsible for its own acts and those of its agents and employees during the term of this Agreement.

9. INDEMNIFICATION

CONSULTANT agrees to indemnify and hold harmless MTC and those entities (if any) identified as additional insureds in Attachment E, Insurance and Financial Security (Bond) Provisions, and their commissioners, directors, officers, agents, and employees (collectively "MTC Indemnified Parties") from and against any and all claims, demands, actions, causes of action, damages, liability, obligation, costs and expenses (including attorneys' fees and costs) of any kind whatsoever, including (without limitation) those for personal injuries (including, but not limited to death, bodily injuries, emotional or mental distresses and losses of consortium), property damages or pecuniary, financial or economic losses of any kind whatsoever (collectively "Claims and Losses") if the Claims and Losses are caused by CONSULTANT's

breach of obligations under this Agreement, willful misconduct, or negligent services performed under this Agreement. It is understood and agreed that Consultant has no obligation to indemnify and hold the MTC Indemnified Parties harmless if the Claims and Losses are caused by the sole active negligence of the MTC Indemnified Parties.

CONSULTANT further agrees to immediately defend the MTC Indemnified Parties with respect to any Claims and Losses if such Claims and Losses are alleged to arise out of or relate to any allegations of CONSULTANT's breach of obligations under this Agreement, willful misconduct, or negligent services performed under this Agreement. As part of this defense obligation, CONSULTANT agrees to either retain counsel to defend the MTC Indemnified Parties or pay charges of the MTC Indemnified Parties' attorneys with regard to the Claims and Losses. CONSULTANT's duty to defend shall apply and be enforced even if it is alleged that the acts, omissions or failures to act of parties other than CONSULTANT, including the MTC Indemnified Parties, caused or contributed to the Claims and Losses.

The provisions set forth in this Section are intended to be applied to the fullest extent allowed under the law and, if any portion of it is found to be void or unenforceable, the remainder is to be severable and enforceable. This indemnification shall survive termination or expiration of this Agreement.

10. DATA TO BE FURNISHED BY MTC

All data, reports, surveys, studies, drawings, software (object or source code), electronic databases, and any other information, documents or materials ("MTC Data") made available to CONSULTANT by MTC for use by CONSULTANT in the performance of its services under this Agreement shall remain the property of MTC and shall be returned to MTC at the completion or termination of this Agreement. No license to such MTC Data, outside of the Scope of Work of the Project, is conferred or implied by CONSULTANT's use or possession of such MTC Data. Any updates, revisions, additions or enhancements to such MTC Data made by CONSULTANT in the context of the Project shall be the property of MTC and subject to the provisions of Article 11.

Use 10.1 if Consultant will be handling or have access to personally identifiable information. If not applicable, delete text and insert "Not Used."

10.1 PERSONALLY IDENTIFIABLE INFORMATION

CONSULTANT agrees to comply with the special provisions related to the access and protection of personally identifiable information set forth in Attachment G, [Special Conditions](#)

Regarding Personally Identifiable Information, attached hereto and incorporated herein by this reference.

USE 10.2 IF MTC WILL BE DISCLOSING CONFIDENTIAL INFORMATION OTHER THAN PII. IF MTC AND CONSULTANT WILL BE MUTUALLY DISCLOSING INFORMATION, REVISE BASED ON INPUT FROM THE OFFICE OF GENERAL COUNSEL.

10.2 NONDISCLOSURE OF CONFIDENTIAL INFORMATION

MTC may be required to make available to CONSULTANT certain confidential, non-public or proprietary information (“Confidential Information”) for purposes of carrying out the Project. Confidential Information may be tangible, intangible, visual, oral, written, and/or electronic information, present or future, and includes: (i) proprietary information learned through inspection of drawings, specifications or equipment; (ii) descriptions of proprietary processes, designs, functionality or know-how; (iii) proprietary software, programming data, code or information; and (iv) other information disclosed in writing and marked as “Confidential” or with a similar notice. As between MTC and CONSULTANT, Confidential Information shall remain the sole and exclusive property of MTC, and no license or other rights to Confidential Information or any works deriving from Confidential Information is granted or implied hereby. Confidential Information does not include information that: a) is now or subsequently becomes generally available to the public through no fault of CONSULTANT; b) CONSULTANT can demonstrate to have had rightfully in its possession prior to disclosure by MTC or its contractors, vendors or licensors; c) CONSULTANT rightfully obtains from a third party who has the right to transfer or disclose it; or (d) is required to be disclosed by law or applicable legal process.

CONSULTANT agrees to take all necessary and reasonable precautions to maintain the confidentiality of Confidential Information and agrees not to use, copy, distribute or disclose such Confidential Information except for the business purpose underlying this Agreement, except as authorized in writing by MTC. CONSULTANT further agrees to disclose Confidential Information only to its directors, officers, employees and consultants who need to know such information, and who have agreed to be bound by the terms and conditions of this Agreement. Promptly upon the request of MTC, at any time and for any reason, CONSULTANT shall destroy or return to MTC, at MTC’s option, all documents, computer files and other tangible materials that contain Confidential Information. These obligations survive the termination of this Agreement, unless otherwise agreed in writing by MTC.

11. OWNERSHIP OF WORK PRODUCTS

All drawings, designs, specifications, manuals, reports, studies, surveys, models, software, source code and source code documentation, documentation or system architecture and any other documents, materials, data and products (“Work Products”) prepared or assembled and furnished to MTC by CONSULTANT or its subconsultants pursuant to this Agreement shall be and are the property of MTC. MTC shall be entitled to copies and access to these materials during the progress of the work. Any such materials remaining in the hands of the CONSULTANT or in the hands of any subconsultant upon completion or termination of the work shall be immediately delivered to MTC. CONSULTANT hereby assigns to MTC ownership of any and all rights, title and interest in and to such Work Products, including ownership of any copyright, patent, trademark, trade secret, or other intellectual property or proprietary rights in the Work Product. CONSULTANT also agrees to execute all papers necessary for MTC to perfect its ownership of the rights in the Work Product. Notwithstanding the above, “Work Products” are not intended nor shall they be construed to include CONSULTANT’S pre-existing intellectual property secured, developed, written, or produced by CONSULTANT prior to the execution of this Agreement or developed concurrently with this Agreement but not specifically for this Agreement; CONSULTANT shall retain all right, title and interest in any such pre-existing intellectual property.

CONSULTANT shall be responsible for the preservation of any and all such Work Products prior to transmittal to MTC, and CONSULTANT shall replace any such Work Products as are lost, destroyed, or damaged while in its possession without additional cost to MTC.

CONSULTANT represents and warrants that all materials prepared under this Agreement are original or developed from materials in the public domain (or both) and that all materials prepared under and services provided under this Agreement do not infringe or violate any copyright, trademark, patent, trade secret, or other intellectual-property or proprietary right of any third party.

12. SUBCONTRACTS

A. Subconsultants approved by MTC for subcontract work under this Agreement are listed in Attachment F, Subconsultant List, attached hereto and incorporated herein by this reference. Any subconsultants must be engaged under written contract with the CONSULTANT with provisions allowing the CONSULTANT to comply with all requirements of this Agreement, including without limitation Article 11, OWNERSHIP OF WORK PRODUCTS. Failure of a subconsultant to provide insurance in accordance with Article 7, INSURANCE REQUIREMENTS, shall be at the risk of CONSULTANT.

B. Nothing contained in this Agreement or otherwise, shall create any contractual relation between MTC and any subcontractors, and no subcontract shall relieve CONSULTANT of his/her responsibilities and obligations hereunder. CONSULTANT agrees to be as fully responsible to MTC for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by CONSULTANT. CONSULTANT's obligation to pay its subcontractors is an independent obligation from MTC's obligation to make payments to CONSULTANT.

C. Any substitution of subcontractors listed in Attachment F must be approved in writing by MTC's Project Manager in advance of assigning work to a substitute subcontractor.

D. Applicable provisions of this Agreement shall be included in any subcontract or subconsultant agreement in excess of \$25,000 entered into under of this Agreement.

E. CONSULTANT shall pay its subcontractors within ten (10) calendar days from receipt of each payment made to CONSULTANT by MTC.

13. ASSIGNMENT OF AGREEMENT

CONSULTANT shall not assign this Agreement, or any part thereof without prior express written consent of the Project Manager or a designated representative, and any attempt thereat shall be void and unenforceable.

14. RECORDS

CONSULTANT agrees to establish and maintain an accounting system conforming to Generally Accepted Accounting Principles (GAAP) that is adequate to accumulate and segregate reasonable, allowable, and allocable project costs. CONSULTANT further agrees to keep all records pertaining to the project being funded for audit purposes for a minimum of four (4) years following the fiscal year of last expenditure under the Agreement; or until completion of any litigation, claim or audit, whichever is longer. Any conflicting language regarding retention of records contained in Attachment H, Federally-Required Clauses, shall supersede this Article.

15. AUDITS

CONSULTANT shall permit MTC, and its authorized representatives to have access to CONSULTANT's books, records, accounts, and any and all work products, materials, and other data relevant to this Agreement, for the purpose of making an audit, examination, excerpt and transcription during the term of this Agreement and for the period specified in Article 14. CONSULTANT shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, work products, materials and data for that period of time.

18. PROHIBITED INTERESTS

CONSULTANT covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree or have the potential of conflicting with the performance of services required under the Agreement or the impartial rendering of assistance or advice to MTC. CONSULTANT further covenants that in the performance of the Agreement no person having any such interest shall be employed.

No member, officer, employee or agent of MTC, during his/her tenure shall have any prohibited interest as defined by California Government Code Sections 1090, *et seq.* and 87100 *et seq.*, direct or indirect, in the Agreement or the proceeds thereof. Prohibited interests include interests of immediate family members, domestic partners, and their employers or prospective employers. Accordingly, CONSULTANT further covenants that it has made a complete disclosure to MTC of all facts of which it is aware upon due inquiry bearing upon any possible interest, direct or indirect, which it believes any member, officer, agent or employee of MTC (or an immediate family member, domestic partner or employer or prospective employer of such member, officer, agent or employee) presently has, or will have in the Agreement, or in the performance thereof, or in any portion of the profits thereunder. Willful failure to make such disclosure, if any, shall constitute grounds for cancellation and termination hereof by MTC.

18.1 ORGANIZATIONAL CONFLICTS OF INTEREST

CONSULTANT shall take all reasonable measures to preclude the existence or development of an organizational conflict of interest in connection with work performed under this Agreement. An organizational conflict of interest occurs when, due to other activities, relationships, or contracts, a firm or person is unable, or potentially unable, to render impartial assistance or advice to MTC; a firm or person's objectivity in performing the contract work is or might be impaired; or a firm or person has an unfair competitive advantage in proposing for award of a contract as a result of information gained in performance of this or some other Agreement.

CONSULTANT shall not engage the services of any subconsultant or independent contractor on any work related to this Agreement if the subconsultant or independent contractor, or any employee of the subconsultant or independent contractor, has an actual or apparent organizational conflict of interest related to work or services contemplated under this Agreement.

If at any time during the term of this Agreement CONSULTANT becomes aware of an organizational conflict of interest in connection with the work performed hereunder, CONSULTANT shall immediately provide MTC with written notice of the facts and circumstances giving rise to this organizational conflict of interest. CONSULTANT's written notice will also propose alternatives for addressing or eliminating the organizational conflict of

interest. If at any time during the period of performance of this Agreement, MTC becomes aware of an organizational conflict of interest in connection with CONSULTANT's performance of the work hereunder, MTC shall similarly notify CONSULTANT. In the event a conflict is presented, whether disclosed by CONSULTANT or discovered by MTC, MTC will consider the conflict presented and any alternatives proposed and meet with CONSULTANT to determine an appropriate course of action. MTC's determination as to the manner in which to address the conflict shall be final.

Failure to comply with this section may subject the CONSULTANT to damages incurred by the MTC in addressing organizational conflicts that arise out of work performed by CONSULTANT, or to termination of this Agreement for breach.

19. LAWS AND REGULATIONS

CONSULTANT shall comply with any and all applicable laws, statutes, ordinances, rules, regulations, and procedural requirements of any national, state, or local government, and of any agency of such government, including but not limited to MTC, that relate to or in any manner affect the performance of the Agreement. Those laws, statutes, ordinances, rules, regulations and procedural requirements which are imposed on MTC as a recipient of federal or state funds are hereby in turn imposed on CONSULTANT. Attachment H and its parts, Federally Required Clauses, and Attachment I and its parts, State Required Clauses, are attached hereto and incorporated herein by this reference.

20. CLAIMS OR DISPUTES

CONSULTANT shall be solely responsible for providing timely written notice to MTC of any claims for additional compensation and/or time in accordance with the provisions of the Agreement. It is MTC's intent to investigate and attempt to resolve any CONSULTANT claims before CONSULTANT has performed any disputed work. Therefore, CONSULTANT's failure to provide timely notice shall constitute a waiver of CONSULTANT's claims for additional compensation and/or time.

CONSULTANT shall not be entitled to the payment of any additional compensation for any cause, including any act, or failure to act, by MTC, or the failure or refusal to issue a modification, or the happening of any event, thing, or occurrence, unless it has given MTC due written notice of a potential claim. The potential claim shall set forth the reasons for which CONSULTANT believes additional compensation may be due, the nature of the costs involved, and the amount of the potential claim.

Such notice shall be given to MTC prior to the time that CONSULTANT has started performance of the work giving rise to the potential claim for additional compensation.

If there is a dispute over any claim, CONSULTANT shall continue to work during the dispute resolution process in a diligent and timely manner as directed by MTC, and shall be governed by all applicable provisions of the Agreement. CONSULTANT shall maintain cost records of all work that is the basis of any dispute.

If an agreement can be reached which resolves CONSULTANT's claim, the parties will execute an Agreement modification to document the resolution of the claim. If the parties cannot reach an agreement with respect to the CONSULTANT claim, they may choose to pursue dispute resolution pursuant to Article 24, DISPUTE RESOLUTION, or MTC may terminate the Agreement.

21. REMEDIES FOR BREACH

In the event CONSULTANT fails to comply with the requirements of the Agreement in any way, MTC reserves the right to implement administrative remedies which may include, but are not limited to, withholding of progress payments and contract retentions, and termination of the Agreement in whole or in part.

The duties and obligations imposed by the Agreement and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by MTC or CONSULTANT shall constitute a waiver of any right or duty afforded any of them under the Agreement, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

22. TEMPORARY SUSPENSION OF WORK

MTC, in its sole discretion, reserves the right to stop or suspend all or any portion of the work for such period as MTC may deem necessary. The suspension may be due to the failure on the part of CONSULTANT to carry out orders given or to perform any provision of the Agreement or to factors that are not the responsibility of CONSULTANT. The CONSULTANT shall comply immediately with the written order of MTC to suspend the work wholly or in part. The suspended work shall be resumed when CONSULTANT is provided with written direction from MTC to resume the work.

If the suspension is due to CONSULTANT's failure to perform work or carry out its responsibilities in accordance with this Agreement, or other action or omission on the part of the CONSULTANT, all costs shall be at CONSULTANT's expense and no schedule extensions will be provided by MTC.

In the event of a suspension of the work, CONSULTANT shall not be relieved of CONSULTANT's responsibilities under this Agreement, except the obligations to perform the work which MTC has specifically directed CONSULTANT to suspend under this section.

If the suspension is not the responsibility of CONSULTANT, suspension of all or any portion of the work under this Section may entitle CONSULTANT to compensation and/or schedule extensions subject to the Agreement requirements.

23. WARRANTY OF SERVICES

A. In the performance of its services, CONSULTANT represents and warrants that it has and will exercise the degree of professional care, skill, efficiency, and judgment of consultants with special expertise in providing such services, and that it carries and will maintain all applicable licenses, certificates, and registrations needed for the work in current and good standing. In addition, CONSULTANT shall provide such specific warranties as may be set forth in specific Task Orders as agreed upon by the parties.

B. In the event that any services provided by CONSULTANT hereunder are deficient because of CONSULTANT's or subconsultants failure to perform said services in accordance with the warranty standards set forth above, MTC shall report such deficiencies in writing to the CONSULTANT within a reasonable time. MTC thereafter shall have:

1. The right to have CONSULTANT re-perform such services at the CONSULTANT's expense; or
2. The right to have such services done by others and the costs thereof charged to and collected from the CONSULTANT if within 30 days after written notice to CONSULTANT requiring such re-performance, CONSULTANT fails to give satisfactory evidence to the MTC that it has undertaken said re-performance; or
3. The right to terminate the Agreement for default. CONSULTANT shall be responsible for all errors and omissions and is expected to pay for all deficient work as a result of errors and omissions.

24. DISPUTE RESOLUTION

A. Informal Resolution of Disputes. CONSULTANT and MTC shall use good faith efforts to resolve all disputes informally at the project manager level. In the event such efforts are unsuccessful, either party may request that MTC provide a written determination as to the proposed resolution of the dispute. Within twenty-one (21) calendar days of the request, MTC's Project Manager shall provide a written determination as to the dispute, which shall include the basis for its decision. Upon CONSULTANT's written acceptance of the Project Manager's determination, the Agreement may be modified and the determination implemented or, failing

agreement, MTC may in its sole discretion pay such amounts and/or revise the time for performance in accordance with the Project Manager's determination.

If the Project Manager's determination is not accepted by CONSULTANT, the matter shall promptly be referred to senior executives of the parties having designated authority to settle the dispute. The senior executives will exchange memoranda stating the issues in dispute and their respective positions and then meet for negotiations at a mutually agreed time and place. If the matter has not been resolved within thirty calendar (30) days of commencement of senior management negotiations, the parties may mutually agree to try to settle the dispute by means of alternate dispute resolution methodologies, as set forth below.

B. Controversies Subject to Alternative Dispute Resolution. Any claim or controversy concerning the interpretation, application, or implementation of this Agreement between MTC and CONSULTANT which cannot be resolved through the informal efforts described above, may, by specific agreement of the parties, be submitted to alternative dispute resolution (that is, mediation or arbitration) with the parameters for such dispute resolution being agreed to by the parties at the time.

C. Other Remedies. If a dispute is not resolved through discussion or the parties do not agree to alternative dispute resolution, either party may pursue available legal remedies in a California State or Federal court of competent jurisdiction. CONSULTANT must file a government claim pursuant to Government Code section 910 et seq. in order to initiate a civil action.

D. Pending Resolution. The CONSULTANT shall continue to work during the dispute resolution process in a diligent and timely manner as directed by MTC, and shall be governed by all applicable provisions of the Agreement.

E. Cost of Alternative Dispute Resolution Proceedings. Each party shall bear the costs and expenses incurred by it in connection with such alternative dispute resolution processes. The cost of any mediator or independent decision maker shall be shared equally between the parties.

F. Survival of this Article. This Article shall survive completion or terminations of this Agreement, but under no circumstances shall either party call for an alternative dispute resolution of any claim or dispute arising out of this Agreement after such period of time as would normally bar the initiation of legal proceeding to litigate such claim or dispute under the laws of the State of California.

25. CHOICE OF LAW

All questions pertaining to the validity and interpretation of the Agreement shall be determined in accordance with the laws of California applicable to agreements made and to be performed within the State.

26. ATTORNEYS' FEES

If any legal proceeding should be instituted by either of the parties to enforce the terms of this Agreement or to determine the rights of the parties under this Agreement, the prevailing party in said proceeding shall recover reasonable attorneys' fees, in addition to all court costs.

27. PARTIAL INVALIDITY

If any term or condition of the Agreement is found to be illegal or unenforceable, such term or condition shall be deemed stricken and the remaining terms and conditions shall remain valid and in full force and effect.

Scope Of Work

Outline of Services

All such services shall be authorized by Task Order, initiated and developed according to the Detailed Task Order Process described in Attachment A-1, below. Task Orders shall include, at a minimum, a detailed description of the work to be performed, a completion date for performance, a maximum payment amount, payment terms (deliverables-based or time and materials) and subconsultant participation (if any), in a completed form as shown in Attachment A-2, Task Order Form, attached hereto and incorporated herein by this reference.

ATTACHMENT A-1, TASK ORDER PROCESS

Detailed Task Order Process:

Task Orders will be numbered sequentially. The period of performance shall be as set forth in the individual Task Order. The process for developing, signing and tracking task orders is summarized as follows:

Step 1 – The MTC Project Manager (“MTC PM”) prepares a draft Task Order to issue to CONSULTANT. The MTC PM may solicit feedback from CONSULTANT to facilitate drafting the Task Order.

Step 2* – CONSULTANT prepares a proposal in response to the draft Task Order. A draft Task Order, as included in this Agreement as Attachment A-2, Task Order Form, attached hereto and incorporated herein by this reference, shall be provided to CONSULTANT for review and comment.

Step 3* – The MTC PM reviews CONSULTANT’s proposal to determine if it meets the objectives of the draft Task Order and if CONSULTANT’s proposed costs are reasonable. The MTC PM may solicit early feedback from the MTC **INSERT TITLE OF SECTION DIRECTOR** at this time, if necessary. Any changes to the draft Task Order deemed appropriate by MTC shall be incorporated in a draft Final Task Order.

Step 4* – The MTC PM forwards the draft Final Task Order to the MTC Contract Administrator for review and approval. Once approved, the MTC PM forwards two copies of the Task Order to the MTC **INSERT TITLE OF SECTION DIRECTOR**, for review and approval. The MTC **INSERT TITLE OF SECTION DIRECTOR** signs both copies of a Final Task Order to signify approval and returns them to the MTC PM.

Step 5 – The MTC PM sends both copies of the signed Final Task Order to CONSULTANT, who signs both copies and returns one to the MTC PM.

Step 6 – The MTC PM sends one copy of the fully executed Task Order to the MTC or MTC Task Lead who initiates work, and sends another copy to MTC Finance to encumber funds against the Task Order. The MTC PM keeps the original fully-executed Task Order for the official project record.

Step 7 – Any services added to the Agreement by a Task Order shall be subject to all applicable conditions of the Agreement. Revisions to Task Orders shall require written approval by both the MTC **INSERT TITLE OF SECTION DIRECTOR** and CONSULTANT. Revisions to Task Orders shall require written approval by both the MTC **INSERT TITLE OF SECTION DIRECTOR** and CONSULTANT.

Step 8 – The MTC PM is responsible for overseeing the successful conclusion of the Task Order, and will manage the progress of the work, track invoices against the Task Order budget, and track milestone completion against the Task Order schedule.

Step 9 – Once the MTC PM determines the Task Order is complete, the MTC PM will send written notification to CONSULTANT that the Task Order is complete and that all associated invoices are due to MTC within 30 days. Any balance of budget is made available to spend on future task orders at the MTC PM's discretion.

Step 10 – The MTC PM will annually assess the need for a Contract audit.

**The MTC Project Manager may revise the Task Order and/or CONSULTANT may be asked to revise the proposal based on feedback received during Steps 2 through 4.*

Compensation and Method of Payment

A. Compensation. CONSULTANT shall be compensated for its work as specified in signed Task Orders. All Task Orders shall be developed according to the process established in Attachment A-1, Task Order Process, attached hereto and incorporated herein, and should include, at a minimum, a completed form as shown in Attachment A-2, Task Order Form. Payment terms may be based on acceptance of agreed-upon deliverables or upon time and materials reimbursement, depending on the requirements of each Task Order. For time and materials-based payment of Task Orders, labor rates in Attachment D, Key Personnel Assignments, shall apply. The hourly rates in Attachment D include all applicable surcharges such as taxes, insurance and fringe benefits as well as indirect costs, overhead and profit allowance, equipment, materials and supplies. Said hourly rates shall remain in effect for the term of the Agreement, unless MTC prior written authorization is obtained for any changes. In no event shall the total compensation to be paid CONSULTANT under the Agreement exceed the Maximum Payment specified in Article 3 of the Agreement.

B. Expenses. For time and materials Task Orders, MTC will reimburse CONSULTANT for all expenses deemed reasonable and necessary by MTC incurred by CONSULTANT in the performance of this Agreement. Such reimbursement shall include travel and personal expenses incurred by employees or agents of all CONSULTANTS in accordance with 48 Code of Federal Regulations Part 31 or Office of Management and Budget Circular A-122, as applicable.

C. Method of Payment. CONSULTANT shall submit invoices for services rendered no more frequently than on a monthly basis. Invoices shall identify work for which payment is requested by Task Order number (including fiscal year). All invoices will be dated, numbered in serial order, and signed by CONSULTANT.

For Task Orders authorizing payment on the basis of satisfactory deliverables, CONSULTANT shall specify each deliverable for which payment is requested, the amount requested, and the total amount paid to date under the Task Order.

For Task Orders authorizing time and materials payment, CONSULTANT shall specify the work performed, hours worked, and amount due (by personnel), authorized expenses (with receipts for such expenses), the total amount claimed under the invoice and the amount paid to date under the Task Order.

1. INSURANCE

A. Minimum Coverages. The insurance requirements specified in this section shall cover CONSULTANT's own liability and the liability arising out of work or services performed under this Agreement by any subconsultants, subcontractors, suppliers, temporary workers, independent contractors, leased employees, or any other persons, firms or corporations that CONSULTANT authorizes to work under this Agreement (hereinafter referred to as "Agents.") CONSULTANT shall, at its own expense, obtain and maintain in effect at all times during the life of this Agreement the following types of insurance against claims, damages and losses due to injuries to persons or damage to property or other losses that may arise in connection with the performance of work under this Agreement.

CONSULTANT is also required to assess the risks associated with work to be performed by Agents under subcontract and to include in every subcontract the requirement that the Agent maintain adequate insurance coverage with appropriate limits and endorsements to cover such risks. To the extent that an Agent does not procure and maintain such insurance coverage, CONSULTANT shall be responsible for said coverage and assume any and all costs and expenses that may be incurred in securing said coverage or in fulfilling CONSULTANT's indemnity obligation as to itself or any of its Agents in the absence of coverage.

In the event CONSULTANT or its Agents procure excess or umbrella coverage to maintain certain requirements outlined below, these policies shall also satisfy all specified endorsements and stipulations, including provisions that CONSULTANT's insurance be primary without right of contribution from MTC. Prior to beginning work under this contract, CONSULTANT shall provide MTC with satisfactory evidence of compliance with the insurance requirements of this section.

1. Workers' Compensation Insurance with Statutory limits, and Employer's Liability insurance with a limit of not less than \$1,000,000 per employee and \$1,000,000 per accident, and any and all other coverage of CONSULTANT's employees as may be required by applicable law. Such policy shall contain a Waiver of Subrogation in favor of MTC. Such Workers Compensation & Employers Liability may be waived, if and only for as long as CONSULTANT is a sole proprietor or a corporation with stock 100% owned by officers with no employees.

2. Commercial General Liability Insurance for Bodily Injury and Property Damage liability, covering the operations of CONSULTANT and CONSULTANT's officers, agents, and employees and with limits of liability which shall not be less than \$1,000,000

combined single limit per occurrence with a general aggregate liability of not less than \$2,000,000, and Personal & Advertising Injury liability with a limit of not less than \$1,000,000. Such policy shall contain a Waiver of Subrogation in favor of MTC.

MTC and those entities listed in Part 3 of this Attachment E (if any), and their commissioners, directors, officers, representatives, agents and employees are to be named as additional insureds. Such insurance shall be primary and contain a Separation of Insureds Clause as respects any claims, losses or liability arising directly or indirectly from CONSULTANT's operations.

3. Business Automobile Insurance for all automobiles owned (if any), used or maintained by CONSULTANT and CONSULTANT's officers, agents and employees, including but not limited to owned (if any), leased (if any), non-owned and hired automobiles, with limits of liability which shall not be less than \$1,000,000 combined single limit per accident.

4. Umbrella Insurance in the amount of \$5,000,000 providing excess limits over Employer's Liability, Automobile Liability, and Commercial General Liability Insurance. Such umbrella coverage shall be following form to underlying coverage including all endorsements and additional insured requirements.

5. Errors and Omissions Professional Liability Insurance for errors and omissions and the resulting damages, including, but not limited to, economic loss to MTC and having minimum limits of \$5,000,000 per claim.

The policy shall provide coverage for all work performed by CONSULTANT and any work performed or conducted by any subcontractor/consultant working for or performing services on behalf of the CONSULTANT. No contract or agreement between CONSULTANT and any subcontractor/consultant shall relieve CONSULTANT of the responsibility for providing this Errors & Omissions or Professional Liability coverage for all work performed by CONSULTANT and any subcontractor/consultant working on behalf of CONSULTANT on the project.

6. Property Insurance. Property Insurance covering CONSULTANT'S own business personal property and equipment to be used in performance of this Agreement, materials or property to be purchased and/or installed on behalf of MTC (if any), and builders risk for property in the course of construction (if applicable). Coverage shall be written on a "Special Form" policy that includes theft, but excludes earthquake, with limits at least equal to the replacement cost of the property. Such policy shall contain a Waiver of Subrogation in favor of MTC.

B. Acceptable Insurers. All policies will be issued by insurers acceptable to MTC, generally with a Best's Rating of A-VIII or better.

C. Self-Insurance. CONSULTANT's obligation hereunder may be satisfied in whole or in part by adequately funded self-insurance, upon evidence of financial capacity satisfactory to MTC.

D. Deductibles and Retentions. CONSULTANT shall be responsible for payment of any deductible or retention on CONSULTANT's policies without right of contribution from MTC. Deductible and retention provisions shall not contain any restrictions as to how or by whom the deductible or retention is paid. Any deductible or retention provision limiting payment to the Named Insured is unacceptable.

In the event that MTC seeks coverage as an additional insured under any CONSULTANT insurance policy that contains a deductible or self-insured retention, CONSULTANT shall satisfy such deductible or self-insured retention to the extent of loss covered by such policy, for any lawsuit arising from or connected with any alleged act of CONSULTANT, subconsultant, subcontractor, or any of their employees, officers or directors, even if CONSULTANT or subconsultant is not a named defendant in the lawsuit.

E. Claims Made Coverage. If any insurance specified above is written on a "Claims-Made" (rather than an "occurrence") basis, then in addition to the coverage requirements above, CONSULTANT shall:

- (1) Ensure that the Retroactive Date is shown on the policy, and such date must be before the date of this Agreement or the beginning of any work under this Agreement;
- (2) Maintain and provide evidence of similar insurance for at least three (3) years following project completion, including the requirement of adding all additional insureds; and
- (3) If insurance is cancelled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the Agreement effective date, CONSULTANT shall purchase "extended reporting" coverage for a minimum of three (3) years after completion of the work.

F. Failure to Maintain Insurance. All insurance specified above shall remain in force until all work or services to be performed are satisfactorily completed, all of CONSULTANT's personnel, subcontractors, and equipment have been removed from MTC's property, and the work or services have been formally accepted. CONSULTANT must notify MTC if any of the above required coverages are non-renewed or cancelled. The failure to procure or maintain required insurance and/or an adequately funded self-insurance program will constitute a material breach of this Agreement.

G. Certificates of Insurance. Prior to commencement of any work hereunder, CONSULTANT shall deliver to MTC Certificates of Insurance verifying the aforementioned coverages. Such certificates shall make reference to all provisions and endorsements referred to above and shall be signed on behalf of the insurer by an authorized representative thereof.

H. Disclaimer. The foregoing requirements as to the types and limits of insurance coverage to be maintained by CONSULTANT are not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by CONSULTANT pursuant hereto, including, but not limited to, liability assumed pursuant to Article 9 of this Agreement.

2. NOT USED

3. ADDITIONAL INSUREDS

The following entities are to be named as Additional Insureds under applicable sections of this Attachment E and as MTC Indemnified Parties, pursuant to Article 9 of the Agreement.

- Metropolitan Transportation Commission (MTC)
- Bay Area Toll Authority (BATA)
- California Department of Transportation (Caltrans)
- Federal Highway Administration (FHWA) (if federal funding is added)

Special Conditions Relating to Personally Identifiable Information

Where access to personally identifiable information (“PII”) is required in the performance of a contract or access to PII is not required but physical access to facilities or computer systems is required and such access presents the potential for incidental access and/or inadvertent disclosure of PII, language substantially in conformance with the following clauses shall be inserted in the contract terms and conditions. Substitute BATA or MTC SAFE for MTC, as applicable:

CONSULTANT will have access to personally identifiable information (“PII”) in connection with the performance of the Agreement. PII is any information that is collected or maintained by MTC or CONSULTANT that identifies or describes a person or can be directly linked to a specific individual, including that individual’s account. Examples of PII include **[insert a few types of PII, tailored to the contract]** name, address, phone or fax number, signature, date of birth, or credit card information, bank account number, or travel pattern data. The following special conditions related to the confidentiality and use of PII apply to this Agreement:

1. Right to Audit

CONSULTANT shall permit MTC and its authorized representatives to audit and inspect: (i) CONSULTANT’s facilities where PII is stored or maintained; (ii) any computerized systems used to share, disseminate or otherwise exchange PII; and (iii) CONSULTANT’s security practices and procedures, data protection, business continuity and recovery facilities, resources, plans and procedures. The audit and inspection rights hereunder shall be for the purpose of verifying CONSULTANT’s compliance with this Agreement, and all applicable laws.

2. General Confidentiality of Data

All PII made available to or independently obtained by CONSULTANT in connection with this Agreement shall be protected by CONSULTANT from unauthorized use and disclosure through the observance of the same or more effective procedural requirements as are applicable to MTC. This includes, but is not limited to, the secure transport, transmission and storage of PII used or acquired in the performance of this Agreement.

CONSULTANT agrees to properly secure and maintain any computer systems (hardware and software applications) that it will use in the performance of this Agreement. This includes ensuring all security patches, upgrades, and anti-virus updates are applied as appropriate to secure PII that may be used, transmitted, or stored on such systems in the performance of this Agreement.

Notwithstanding anything to the contrary in Article 14. Records, of this Agreement, CONSULTANT agrees to retain PII for no longer than **[Project Manager should insert time-**

frame which should be no longer than necessary for Consultant to carry out its contractual responsibilities under the Agreement]. At the conclusion of this retention period, CONSULTANT agrees to use Department of Defense (“DOD”) approved software to wipe any disks containing PII. Hard drives and computers shall be reformatted and reimaged in an equivalently secure fashion. CONSULTANT agrees to destroy hard-copy documents containing PII by means of a cross-cut shredding machine.

3. Compliance with Statutes and Regulations

CONSULTANT agrees to comply with the information handling and confidentiality requirements outlined in the California Information Practices Act (Civil Code sections 1798 *et.seq.*) **[FOR FASTRAK® PROGRAM PII ADD THE FOLLOWING:** and in the California Streets and Highways Code Section 31490]. In addition, CONSULTANT warrants and certifies that in the performance of this Agreement, it will comply with all applicable statutes, rules, regulations and orders of the United States, the State of California and MTC relating to the handling and confidentiality of PII and agrees to indemnify MTC against any loss, cost, damage or liability by reason of CONSULTANT’s violation of this provision.

4. Subconsultants

MTC approval in writing is required prior to any disclosure by CONSULTANT of PII to a subconsultant or prior to any work being done by a subconsultant that entails receipt of PII. Once approved, CONSULTANT agrees to require such subconsultant to sign an agreement in substantially identical terms as this attachment, binding the subconsultant to comply with its provisions.

5. Consultant Guarantees

CONSULTANT shall not, except as authorized or required by its duties by law, reveal or divulge to any person or entity any PII which becomes known to it during the term of this Agreement.

CONSULTANT shall keep all PII entrusted to it completely secret and shall not use or attempt to use any such information in any manner which may injure or cause loss, either directly or indirectly, to MTC.

CONSULTANT shall comply, and shall cause its employees, representatives, agents and subcontractors to comply, with such directions as MTC may make to ensure the safeguarding or confidentiality of all its resources.

If requested by MTC, CONSULTANT shall sign an information security and confidentiality agreement provided by MTC and attest that its employees, representatives, agents, and subcontractors involved in the performance of this Agreement shall be bound by terms of a confidentiality agreement with CONSULTANT substantially the same in its terms.

6. Notice of Security Breach

CONSULTANT shall immediately notify MTC when it discovers that there may have been a breach in security which has or may have resulted in compromise to PII. For purposes of this section, immediately is defined as within two hours of discovery. The MTC contact for such notification is as follows:

1. EQUAL EMPLOYMENT OPPORTUNITY

In accordance with Title VI of the Civil Rights Act, as amended (42 U.S.C. § 2000d); Section 303 of the Age Discrimination Act of 1975, as amended (42 U.S.C. § 6102); Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. § 12132); and 49 U.S.C. § 5332 for FTA-funded projects CONSULTANT agrees that it will not, on the grounds of race, religious creed, color, national origin, age, physical disability, sex, discriminate or permit discrimination against any employee or applicant for employment.

2. DISADVANTAGED BUSINESS ENTERPRISE (DBE) POLICY

- A. This Agreement is subject to 49 CFR, Part 26 entitled “Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs.” Proposers who obtain DBE participation on this contract will assist Caltrans in meeting its federally mandated statewide overall DBE goal.
- B. If the contract has a DBE goal, the CONSULTANT must meet the DBE goal by committing DBE participation or document a good faith effort to meet the goal. If a DBE subconsultant is unable to perform, the CONSULTANT must make a good faith effort to replace him/her with another DBE subconsultant, if the goal is not otherwise met.
- C. DBEs and other small businesses, as defined in 49 CFR, Part 26 are encouraged to participate in the performance of agreements financed in whole or in part with federal funds. The CONSULTANT or subconsultant shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Agreement. The CONSULTANT shall carry out applicable requirements of 49 CFR, Part 26 in the award and administration of US DOT- assisted agreements. Failure by the CONSULTANT to carry out these requirements is a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as the local agency deems appropriate.
- D. Any subcontract entered into as a result of this Agreement shall contain all of the provisions of this section.

3. Performance of DBE Consultant and other DBE Subconsultants/Suppliers

- A. A DBE performs a commercially useful function when it is responsible for execution of the work of the Agreement and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a commercially useful function, the DBE must also be responsible with respect to materials and supplies used on the Agreement, for negotiating price, determining quality and quantity, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether a DBE is performing a commercially useful function, evaluate the amount of work subcontracted, industry practices; whether the amount the firm is to be paid under the Agreement is commensurate with the work it is actually performing; and other relevant factors.
- B. A DBE does not perform a commercially useful function if its role is limited to that of an extra participant in a transaction, Agreement, or project through which funds are passed in order to obtain the appearance of DBE participation. In determining whether a DBE is such an extra participant, examine similar transactions, particularly those in which DBEs do not participate.
- C. If a DBE does not perform or exercise responsibility for at least 30 percent of the total cost of its Agreement with its own work force, or the DBE subcontracts a greater portion of the work of the Agreement than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that it is not performing a commercially useful function.

4. Prompt Payment of Funds Withheld to Subcontractors

- A. In the event that MTC withholds a portion of the payment from CONSULTANT as retainage, CONSULTANT, or subconsultant (if applicable), shall return all monies withheld in retention from a subconsultant within 30 days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by the agency. Federal law (49 CFR26.29) requires that any delay or postponement of payment over 30 days may take place only for good cause and with the agency's prior written approval. Any violation of this provision shall subject the violating prime consultant or subconsultant to the penalties, sanctions and other remedies specified in Section 7108.5 of the Business and Professions Code. These requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the prime consultant or subconsultant in the event of a

dispute involving late payment or nonpayment by the prime contractor, deficient subconsultant performance, or noncompliance by a subcontractor. This provision applies to both DBE and non-DBE prime CONSULTANT and subconsultants.

- B. Any subcontract entered into as a result of this Agreement shall contain all of the provisions of this section.

5. DBE Records

- A. The CONSULTANT shall maintain records of materials purchased and/or supplied from all subcontracts entered into with certified DBEs. The records shall show the name and business address of each DBE or vendor and the total dollar amount actually paid each DBE or vendor, regardless of tier. The records shall show the date of payment and the total dollar figure paid to all firms. DBE prime CONSULTANTS shall also show the date of work performed by their own forces along with the corresponding dollar value of the work.
- B. Upon completion of the Agreement, a summary of these records shall be prepared and submitted on the form attached as Attachment H-4, "Final Report-Utilization of Disadvantaged Business Enterprise (DBE), First-Tier Subcontractors," CEM-2402F (Exhibit 17-F, Chapter 17, of the LAPM), attached hereto and incorporated herein by this reference, certified correct by the CONSULTANT or the CONSULTANT's authorized representative and shall be furnished to the Project Manager with the final invoice. Failure to provide the summary of DBE payments with the final invoice will result in 25% of the dollar value of the invoice being withheld from payment until the form is submitted. The amount will be returned to the CONSULTANT when a satisfactory "Final Report-Utilization of Disadvantaged Business Enterprises (DBE), First-Tier Subcontractors" is submitted to the Contract Manager.

6. DBE Certification and Decertification Status

If a DBE subconsultant is decertified during the life of the Agreement, the decertified subconsultant shall notify the CONSULTANT in writing with the date of decertification. If a subconsultant becomes a certified DBE during the life of the Agreement, the subconsultant shall notify the CONSULTANT in writing with the date of certification. Any changes should be reported to the Agency's Contract Manager within 30 days.

3. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

CONSULTANT agrees to comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000(d)) and the regulations of the Department of Transportation issued thereunder (49 CFR Part 21).

4. ACCESS REQUIREMENTS FOR INDIVIDUALS WITH DISABILITIES

CONSULTANT agrees to comply with all applicable requirements of the Americans with Disabilities Act of 1990 (ADA), 42 U.S.C. § 12101 et seq.; Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794; Section 16 of the Federal Transit Act, as amended, 49 U.S.C. § 5310(f); and their implementing regulations.

5. STATE ENERGY CONSERVATION PLAN

CONSULTANT shall comply with all mandatory standards and policies relating to energy efficiency that are contained in the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. § 6321).

6. ALLOWABILITY OF COSTS

CONSULTANT shall comply with the cost principles (as applicable) in Office of Management and Budget (OMB) Circulars A-87, or A-122 or 48 Code of Federal Regulations Chapter 1 Part 31, or 49 Code of Federal Regulations Part 18.

7. RELEASE OF FUNDS WITHHELD FROM SUBCONTRACTORS

CONSULTANT shall pay its subcontractors within ten (10) calendar days from receipt of each payment made to the Contractor by MTC.

8. LICENSE FOR FEDERAL GOVERNMENT PURPOSES

FHWA reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for federal government purposes: (a) the copyright in any work developed under this Agreement; and (b) any rights of copyright to which MTC or CONSULTANT purchases ownership under this Agreement.

9. IDENTIFICATION OF DOCUMENTS

All reports and other documents completed as part of this Agreement shall carry the following notation on the front cover or title page:

"The preparation of this report has been financed in part by grants from the: Federal Highway Administration, U.S. Department of Transportation. The contents of this report do not necessarily reflect the official views or policy of the U.S. Department of Transportation."

10. RECORDS

CONSULTANT agrees to establish and maintain an accounting system conforming to Generally Accepted Accounting Principles (GAAP) that is adequate to accumulate and segregate reasonable, allowable, and allocable project costs. CONSULTANT further agrees to keep all records pertaining to the project being funded for audit purposes for a minimum of three (3) years from submission of final expenditure report; four (4) years following the fiscal year of last expenditure under the Agreement; or until completion of any litigation, claim or audit, whichever is longer. Copies of CONSULTANT's audits, if any, performed during the course of Project development and at Project completion shall be forwarded to MTC no later than one hundred eighty (180) days after fiscal year end close.

11. AUDITS

CONSULTANT further agrees to include in all its subcontracts hereunder a provision to the effect that the subcontractor agrees that MTC, or any of its duly authorized representatives shall have access to and the right to examine any directly pertinent books, documents, papers, and records of such subcontractor for the term specified above. The term "subcontract" as used in this clause excludes agreements not exceeding \$25,000.

CONSULTANT agrees to grant MTC, the U.S. DOT, FTA or FHWA, as applicable, the Comptroller General of the United States, the State of California, and their authorized representatives access to the CONSULTANT's books, records, accounts, and any and all work products, materials, and other data relevant to this Agreement, for the purpose of making an audit, examination, excerpt and transcription during the term of this Agreement and for the period specified in Article 14. CONSULTANT shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, work products, materials and data for that period of time. If, as a result of any audit, it is determined by the auditor that reimbursement of any costs including profit or fee under this Agreement was in excess of that represented and relied upon during price negotiations or represented as a basis for payment, the CONSULTANT agrees to reimburse MTC for those costs within sixty (60) days of written notification by MTC.

ATTACHMENT H-4, Final Report-Utilization of Disadvantaged Business Enterprises (DBE) First-Tier Subcontracts Form

**FINAL REPORT – UTILIZATION OF
DISADVANTAGED BUSINESS
ENTERPRISES (DBE), FIRST-TIER
SUBCONTRACTORS
CEM 2402(F) (Rev. 02/2008)**

The form requires specific information regarding the construction project: Contract Number, County, Route, Post Miles, Federal-aid Project No., the Administering Agency, the Contract Completion Date and the Estimated Contract Amount. It requires the prime contractor name and business address. The focus of the form is to describe who did what by contract item number and descriptions, asking for specific dollar values of item work completed broken down by subcontractors who performed the work both DBE and non-DBE work forces. DBE prime contractors are required to show the date of work performed by their own forces along with the corresponding dollar value of work.

The form has a column to enter the Contract Item No. (or Item No's) and description of work performed or materials provided, as well as a column for the subcontractor name and business address. For those firms who are DBE, there is a column to enter their DBE Certification Number. The DBE should provide their certification number to the contractor and notify the contractor in writing with the date of the decertification if their status should change during the course of the project.

The form has six columns for the dollar value to be entered for the item work performed by the subcontractor.

The Non-DBE column is used to enter the dollar value of work performed for firms who are not certified DBE.

The decision of which column to be used for entering the DBE dollar value is based on what program(s) status the firm is certified. This program status is determined by the California Unified Certification Program by ethnicity, gender, ownership, and control issues at time of certification. To confirm the certification status and program status, access the Department of Transportation Civil Rights web site at: <http://www.dot.ca.gov/hq/bep> or by calling (916) 324-1700 or the toll free number at (888) 810-6346.

Based on this DBE Program status, the following table depicts which column to be used:

DBE Program Status	Column to be used
If program status shows DBE only with no other programs listed	DBE

If a contractor performing work as a DBE on the project becomes decertified and still performs work after their decertification date, enter the total dollar value performed by this contractor under the appropriate DBE identification column.

If a contractor performing work as a non-DBE on the project becomes certified as a DBE, enter the dollar value of all work performed after certification as a DBE under the appropriate identification column.

Enter the total of each of the six columns in Form CEM-2402(F).

Any changes to DBE certification must also be submitted on Form-CEM 2403(F).

Enter the Date Work Completed as well as the Date of Final Payment (the date when the prime contractor made the “final payment” to the subcontractor for the portion of work listed as being completed).

The contractor and the resident engineer sign and date the form indicating that the information provided is complete and correct.
