Dear Proposer:

The Metropolitan Transportation Commission (MTC) requests your firm to submit a Second Best and Final Offer (Second BAFO) to act as the Next Generation Clipper® System Consultant, as described in the Request for Proposal dated September 30, 2014, as amended by Addendum No. 1, dated October 9, 2014, Addendum No. 2, dated October 28, 2014, Addendum No. 3, dated October 31, 2014, Addendum No. 4, dated November 7, 2014, and Addendum No. 5, dated February 5, 2015 (collectively "RFP"). Your Second BAFO should be based on the request for clarifications provided as Attachment A to this correspondence. Exceptions to the provisions in this Request for Second BAFO shall render proposals conditional and shall be grounds for rejection.

Second BAFO Format and Due Date

Your Second BAFO must include the following:

- The "red-lined" revisions to the Proposals with all changes to your first BAFO proposal indicated by revision text or strike-out. MTC requests that only the revised sections of the proposal related to the questions in Attachment A and anything else you may wish to change are submitted as the Second BAFO. The selected Proposer shall submit a conformed Proposal upon award. Please submit electronic copy by email, in both MS Office (e.g. Word, Excel, etc.) format and in .PDF format to the email address specified below. Please submit the table of Second BAFO Questions and Clarifications included in Attachment A. It must be completed per the instructions to indicate the Proposal Section and page numbers for all red-lined revisions.

Your Second BAFO should include a statement that it is a binding offer for one hundred twenty (120) days from the submission of the Second BAFO. Please submit your Second BAFO, via email only, to the following address: ClipperProcurements@mtc.ca.gov.

Your Second BAFO must be received by 8:00 a.m., PST, on Friday, March 6, 2015. Second BAFOs received after that date and time will not be considered.
