### ***B. Project Description***

MTC's Freight Emissions Reduction Action Plan (Action Plan) will develop and evaluate strategies to reduce emissions from goods movement throughout the region. The Action Plan will recommend specific programs, projects and policies for the goods movement system, including all modes of transportation. The strategies will focus on potential application of near-zero and zero-emissions technologies and also include an assessment of operational and technology-based strategies. MTC will work closely with the Bay Area Air Quality Management District as well as local and state stakeholders in development of the Action Plan. The Action Plan will inform the region's 2017 update of Plan Bay Area.

#### ***B. Review for General Responsiveness***

The Project Manager, in consultation with the MTC's Office of General Counsel, will conduct an initial review of the proposals for general responsiveness and inclusion of the items requested in

*Appendix C.* Proposers failing to meet the Minimum Qualifications and Requirements listed herein this RFP or satisfy the federal Disadvantaged Business Enterprise (DBE) requirements (if applicable), will not be considered responsive. Also, any proposal that does not include enough information to permit the evaluators to rate the proposal in any one of the evaluation factors listed below will be considered non-responsive and will not be evaluated. A proposal that fails to include one or more items requested in the Form of Proposal may be considered responsive, if evaluation in every criterion is possible. MTC reserves the right to request additional information from responsive proposers prior to evaluation.

### ***C. Evaluation Panel and Evaluation Criteria***

Responsive proposals will then be evaluated by an evaluation panel of MTC and partner agency staff. The evaluation of the proposals shall be within the sole judgment and discretion of the evaluation panel.

All contact during the evaluation phase shall be through the MTC Project Manager only. Proposers shall neither contact nor lobby any evaluation panel members during the evaluation process. Attempts by proposer to contact and/or influence members of the evaluation panel may result in disqualification of proposer.

Responsive proposals shall be evaluated on the basis of the following evaluation factors, with their relative importance indicated by percentages:

1. Individual and team expertise and experience providing technical consulting services that demonstrate the proposers possess the qualifications needed to successfully carry out the project. (30%)
2. Approach to completing the project, including but not limited to: understanding of the need and requirements of zero-emissions and near zero-emissions freight movement, including both current and emerging technologies and how they could be applied in the transportation system; proposed approach to project tasks; project management plan; cost control ideas; insight on potential obstacles to Scope of Work completion; and approach to issue resolution. 4. Communication skills based on proposal and interview, if held (20%)

## IX. GENERAL CONDITIONS

### ***A. Award***

Any award made will be to the Consultant whose proposal is most advantageous to MTC based on the evaluation criteria defined in Section VIII. If the selected firm fails to enter into a contract with MTC in a timely manner as determined by MTC, in accordance with the terms and conditions of this RFP, MTC reserves the right to reject the proposal of the selected firm and enter into a contract with the next highest scoring firm.

### ***B. Contract Arrangements***

MTC Standard Consultant Contract is attached as *Appendix D*. If a proposer wishes to propose a change to any standard MTC contract provision, the provision and the proposed alternative language must be submitted prior to the closing date for receipt of requests for clarifications/exceptions. If no such change is requested, the Proposer will be deemed to accept MTC's standard contract provisions, unless such language is protested in accordance with Section C below.

The selected Consultant will be required to maintain insurance coverage, during the term of the contract, at the levels described in *Appendix D-1, Insurance Requirements*. Proposer agrees to provide the required certificates of insurance providing verification of the minimum insurance requirements in *Appendix D-1*, within ten (10) days of MTC's notice that it is the successful proposer. Requests to change MTC's insurance requirements should be submitted on or prior to the closing date for receipt of requests for clarifications/exceptions. MTC will review the requests and issue an addendum if material changes requested by a prospective proposer are acceptable. Objections to MTC determinations on requests to change insurance requirements pursuant to the protest provisions of this RFP must be brought to MTC's attention no later than the deadline for protesting RFP provisions or compliance with all material insurance requirements will be assumed.

The contract resulting from this RFP will be a combination of firm fixed price, with payment based on MTC's receiving of satisfactory deliverables (for Tasks 1 through 4 in *Appendix A, Scope of Work*) and task order (for Task 5 in *Appendix A, Scope of Work*). Task orders may be issued on a time and materials basis.

### ***C. Selection Disputes***

A Proposer may object to a provision of the RFP on the grounds that it is arbitrary, biased, or unduly restrictive, or to the selection of a particular Consultant on the grounds that MTC procedures, the provisions of the RFP or applicable provisions of federal, state or local law have been violated or inaccurately or inappropriately applied by submitting to the Project Manager a written explanation of the basis for the protest:

1. No later than 4:00 p.m. on the third day prior to the date proposals are due, for objections to RFP provisions; or
2. No later than 4:00 p.m. on the third day after the date the firm is notified that it did not meet the minimum qualifications or was found to be non-responsive; or

3. No later than 4:00 p.m. on the third day after the date on which the firm is notified that it was not selected, or if applicable the date the appropriate committee authorizes award, whichever is later, for objections to consultant selection.

Except with regard to initial determinations of non-responsiveness, the evaluation record shall remain confidential until the MTC Executive Director or appropriate MTC Committee authorizes award.

Protests of recommended awards must clearly and specifically describe the basis for the protest in sufficient detail for the MTC review officer to recommend a resolution to the Executive Director or Section Director, as appropriate.

The MTC Executive Director will respond to the protest in writing, based on the recommendation of a staff review officer. Should a proposer wish to appeal the decision of the MTC Executive Director, it may file a written appeal with MTC, no later than 4:00 p.m. on the third business day after receipt of the written response from the MTC Executive Director. MTC's decision will be the final agency decision.

Authorization to award an agreement to a particular consultant by MTC shall be deemed conditional until the expiration of the protest period or, if a protest is filed, the issuance of a written response to the protest by the MTC Executive Director or, if the decision of the MTC Executive Director is appealed, the issuance of MTC's decision.

#### ***D. Public Records***

This RFP and any material submitted in response to this RFP are subject to public inspection under the California Public Records Act (Government Code § 6250 *et seq.*), unless exempt by law. Other than proprietary information or other information exempt from disclosure by law, the content of proposals submitted to MTC will be made available for inspection consistent with its policy regarding Public Records Act requests.

If the proposer believes any proposal content contains trade secrets or other proprietary information that the proposer believes would cause substantial injury to the proposer's competitive position if disclosed, the proposer may request that MTC withhold from disclosure such proprietary materials by marking each page containing proprietary information, including financial information submitted under Section \_\_\_ of this RFP, as confidential and shall include the following notice at the front of its proposal:

“The data on the following pages of this proposal, including financial information submitted under Section \_\_\_ of this RFP marked along the right margin with a vertical line, contain technical or financial information which are trade secrets and/or which, if disclosed, would cause substantial injury to the proposer's competitive position. The proposer requests that such data be used for review by MTC only, but understands that exemption from disclosure will be limited by MTC's obligations under the California Public Records Act. If an agreement is awarded to the proposer submitting this proposal, MTC shall have the right to use or disclose the data, unless otherwise provided by law. [List pages].”

Failure to include this notice with relevant page numbers shall render any “confidential/proprietary” markings inadequate. Individual pages shall accordingly not be treated confidentially. **Any language purporting to render the entire proposal confidential or proprietary will be regarded as ineffective and will be disregarded. In addition, the proposer may not designate any required proposal forms or the cost proposal as confidential. Consequently, any language purporting to render any proposal forms or the cost proposal as confidential or proprietary will be regarded as ineffective and will be disregarded.**

In the event properly marked data is requested pursuant to the California Public Records Act, the proposer will be advised of the request. If the Proposal requests that MTC withhold such data from disclosure and MTC complies with the proposer’s request, the proposer shall assume all responsibility for any challenges resulting from the non-disclosure; indemnify and defend MTC and hold it harmless from and against all claims, legal proceedings, and resulting damages and costs (including but not limited to attorneys’ fees that may be awarded to the party requesting such proposer information); and pay any and all costs and expenses relating to the withholding of the proposer information.

If the proposer does not mark each page containing proprietary information as confidential, does not include the statement described above at the front of its Proposal, and/or does not request that MTC withhold information marked as confidential and requested under the California Public Records Act, MTC shall have no obligation to withhold the information from disclosure, and the proposer shall not have a right to make a claim or maintain any legal action against MTC or its commissioners, officers, employees or agents in connection with such disclosure.

#### ***E. Key Personnel***

Key staff persons assigned to the project are expected to remain on the project. Any change in key staff persons of the proposed project team is subject to prior written approval of MTC. Removal of any key staff persons identified in the proposal without written consent of the Project Manager may be considered a material breach of contract.

#### ***F. Conflicts Of Interest***

By submitting a Proposal, the Proposer represents and warrants that no commissioner, officer or employee of MTC is in any manner interested directly or indirectly in the Proposal or in the contract that may be made under it or in any profits expected to arise therefrom, as set forth in California Government Code Section 1090.

The Proposer further warrants and represents that it presently has no interest and agrees that it will not acquire any interest that would present a conflict of interest under California Government Code Sections 1090 *et seq.* or 87100 *et seq.* during the performance of services under any contract resulting from this RFP and that it will not knowingly employ any person having such an interest. Violation of this provision may result in the contract being deemed void and unenforceable.

Whenever MTC is awarding a contract that involves the rendering of advice, it will consider whether there exists the potential for bias, because of other activities, relationships or contracts of the Proposer, and if so, whether any potential bias can be mitigated acceptably by MTC and the Proposer. After award, the Consultant shall take all reasonable measures to preclude the

existence or development of an organizational conflict of interest in connection with work performed under the agreement resulting from this and other MTC solicitations. An organizational conflict of interest occurs when, due to other activities, relationships, or contracts, a firm or person is unable, or potentially unable, to render impartial assistance or advice to MTC; a firm or person's objectivity in performing the contract work is or might be impaired; or a firm or person has an unfair competitive advantage in proposing for award of a contract as a result of information gained in performance of this or some other project.

Proposer shall not engage the services of any subcontractor or independent contractor on any work related to this Agreement if the subcontractor or independent contractor, or any employee of the subcontractor or independent contractor, has an actual or apparent organizational conflict of interest related to work or services contemplated under this Agreement.

***G. Personally Identifiable Information***

Not Used

***H. Pre-Award Audit***

***I. Web-Based Communication***

Proposer agrees to submit all communication and required documentation, including but not limited to invoices, requests for contract modifications, etc. to the MTC Project Manager or his/her designee via a web-based system designated by MTC to which MTC will provide system access.

***J. Payment, Sub-Contractor and Prevailing Wage Information***

Proposer agrees to submit payment, sub-contractor utilization and if applicable certified payroll information for contracts with prevailing wage requirements via a web-based system designated by MTC to which MTC will provide system access.

## **APPENDIX A SCOPE OF WORK**

MTC seeks consultant assistance to recommend freight strategies and projects that advance zero-emission and near zero-emission freight movement in the Bay Area. This work should build off of similar efforts currently underway, including the Regional Goods Movement Plan, the California Air Resource Board's Sustainable Freight Strategy and technical analysis and planning done by the South Coast Air Quality Management District and the Southern California Association of Governments. This work will culminate in the creation of a Freight Emission Reduction Action Plan (Action Plan). The Action Plan will evaluate, and, where feasible, make recommendations related to:

1. Zero- and near zero-emission truck technologies;
2. Zero- and near zero-emission rail technologies;
3. Electrification of rail yards and use of near zero-emission switchers;
4. Zero- and near zero-emission truck-only lanes along the Interstate 880; and
5. Development of programs and policies to incentivize retrofitting and replacing trucks with zero- and near zero-emission truck technologies.
6. Other emissions reduction strategies related to Intelligent Transportation Systems (ITS) and technology applications identified during development of the Action Plan.

This Action Plan will be developed via a Regional Freight New Technologies Task Force comprised of public agency representatives and stakeholders. The Action Plan shall be completed by summer 2016 and will inform the 2017 update of Plan Bay Area.

Consultant shall provide technical and planning support, including key policy and feasibility analyses of zero-emission and/or near-zero freight strategies in the context of the Bay Area Goods Movement system, among other tasks. MTC may request additional services on an as-needed basis.

### **TASK 1: KICK-OFF MEETING TO REVIEW SCOPE OF WORK**

Consultant shall conduct a kick-off meeting with MTC and BAAQMD staff to discuss the work program.

Deliverables:

Deliverable 1a: Final Deliverables Schedule and Work Plan

### **TASK 2: REGIONAL FREIGHT NEW TECHNOLOGIES TASK FORCE**

Consultant shall assist MTC in managing a Regional Freight New Technologies Task Force (Task Force) that will be comprised of public agency staff and stakeholders. The Consultant shall develop meeting materials and actively participate in all meetings. The Task Force will meet approximately

every other month until the Action Plan is complete. The Task Force shall provide input and oversight over the course of development of the Action Plan.

Deliverables:

The assessment shall include recommendations of where within the goods movement system the various strategies could be the most effective at reducing emissions. Each assessment shall also include a feasibility analysis of two applications of zero and near zero emissions technologies. This analyses will inform the Action Plan.

Assessment shall include analyses of the following activities:

1. Technical strategies by mode:
  - a. Truck: local delivery, drayage and long distance

#### **TASK 4: FREIGHT EMISSION REDUCTION ACTION PLAN**

Building off of the analyses conducted in Task 3, Consultant shall develop the Action Plan. The Action Plan shall include a summary of the feasibility of the analysis in Task 3 to explain the final recommendations in the Action Plan. The Action Plan shall include the following:

1. Strategies that encourage use of zero-emission truck technologies, which may include developing a zero-emission truck demonstration project within two years of the completion of the Freight Emission Reduction Action Plan;
2. Strategies that encourage use of rail zero-emission technologies, which may include a rail demonstration project;
3. Analysis of the potential to electrify rail yards and use of near zero-emission switchers;
4. Recommendation for a zero-emission truck-only lanes along the Interstate 880 corridor. If feasible, Consultant shall create an implementation schedule of these lanes, or recommend other zero-emission freight transport system to be constructed along the Interstate 880 corridor by 2025; and

4. Other planning mechanisms and tools that the Bay Area may use; and
5. Ways to incentivize retrofitting and replacing diesel trucks and electrifying rail and rail yards.
6. Where strategies listed above are not feasible, the Action Plan shall clearly identify the reasoning.

If the Consultant, in consultation with MTC and the Task Force members, is unable to achieve the goals and identify the strategies outlined above, the Consultant shall provide a clear explanation of the findings in the Action Plan.

Deliverables:

Deliverable 4a: Outline of proposed strategies that meet above goals

Deliverable 4b: Draft Freight Emissions Reduction Action Plan

Deliverable 4c: Final Freight Emissions Reduction Action Plan

Deliverable 4d: Present Final Freight Emissions Reduction Action Plan to Task Force

MTC, after setting up a new delivery or performance schedule, may allow CONSULTANT to continue work, or treat the termination as a termination for convenience.

## **7. INSURANCE AND FINANCIAL SECURITY REQUIREMENTS**

CONSULTANT shall, at its own expense, obtain and maintain in effect at all times during the life of this Agreement the types of insurance and financial security listed in Attachment E, Insurance and Financial Security (Bond) Provisions, attached hereto and incorporated herein, against claims, damages and losses due to injuries to persons or damage to property or other losses that may arise in connection with the performance of work under this Agreement. - A. Any injury or death to persons or property or pecuniary, financial or economic losses that may occur, or that may be alleged to have occurred, arising from the performance of this Agreement by CONSULTANT caused by any breach of the Agreement or negligent act or omission or willful misconduct of the CONSULTANT or its officers, employees, subconsultants or agents; or
- B. Any allegation that materials or services provided by CONSULTANT under this Agreement infringe or violate any copyright, trademark, patent, trade secret, or any other intellectual-property or proprietary right of any third party.

CONSULTANT further agrees to defend any and all such claims, actions, suits or other legal proceedings and pay all charges of attorneys and all other costs and expenses of defenses as they

are incurred. If any judgment is rendered against any of the MTC Indemnified Parties, CONSULTANT shall, at its expense, satisfy and discharge the same.

The provisions set forth in this Article are intended to be applied to the fullest extent allowed under the law and, if any portion of it is found to be void or unenforceable, the remainder is to be severable and enforceable. This indemnification shall survive termination or expiration of this Agreement.

#### **10. DATA TO BE FURNISHED BY MTC**

All data, reports, surveys, studies, drawings, software (object or source code), electronic databases, and any other information, documents or materials (“MTC Data”) made available to CONSULTANT by MTC for use by CONSULTANT in the performance of its services under this Agreement shall remain the property of MTC and shall be returned to MTC at the completion or termination of this Agreement. No license to such MTC Data, outside of the Scope of Work of the Project, is conferred or implied by CONSULTANT’S use or possession of such MTC Data. Any updates, revisions, additions or enhancements to such MTC Data made by CONSULTANT in the context of the Project shall be the property of MTC and subject to the provisions of Article 11.

#### **10.1 NOT USED**

#### **11. OWNERSHIP OF WORK PRODUCTS**

All drawings, designs, specifications, manuals, reports, studies, surveys, models, software, source code and source code documentation, documentation or system architecture and any other documents, materials, data and products (“Work Products”) prepared or assembled and furnished to MTC by CONSULTANT or its subconsultants pursuant to this Agreement shall be and are the property of MTC. MTC shall be entitled to copies and access to these materials during the progress of the work. Any such materials remaining in the hands of the CONSULTANT or in the hands of any subconsultant upon completion or termination of the work shall be immediately delivered to MTC. CONSULTANT hereby assigns to MTC ownership of any and all rights, title and interest in and to such Work Products, including ownership of any copyright, patent, trademark, trade secret, or other intellectual property or proprietary rights in the Work Product. CONSULTANT also agrees to execute all papers necessary for MTC to perfect its ownership of the rights in the Work Product. Notwithstanding the above, “Work Products” are not intended nor shall they be construed to include CONSULTANT’S pre-existing intellectual property secured, developed, written, or produced by CONSULTANT prior to the execution of this Agreement or developed concurrently with this Agreement but not specifically for this

Agreement; CONSULTANT shall retain all right, title and interest in any such pre-existing intellectual property.

CONSULTANT shall be responsible for the preservation of any and all such Work Products prior to transmittal to MTC, and CONSULTANT shall replace any such Work Products as are lost, destroyed, or damaged while in its possession without additional cost to MTC.

CONSULTANT represents and warrants that all materials prepared under this Agreement are original or developed from materials in the public domain (or both) and that all materials prepared under and services provided under this Agreement do not infringe or violate any copyright, trademark, patent, trade secret, or other intellectual-property or proprietary right of any third party.

## **12. SUBCONTRACTS**

A. Subconsultants approved by MTC for subcontract work under this Agreement are listed in Attachment G, Subconsultant List, attached hereto and incorporated herein by this reference. Any subconsultants must be engaged under written contract with the CONSULTANT with provisions allowing the CONSULTANT to comply with all requirements of this Agreement, including without limitation Article 11, OWNERSHIP OF WORK PRODUCTS. Failure of a subconsultant to provide insurance in accordance with Article 7, INSURANCE REQUIREMENTS, shall be at the risk of CONSULTANT.

B. Nothing contained in this Agreement or otherwise, shall create any contractual relation between MTC and any subcontractors, and no subcontract shall relieve CONSULTANT of his/her responsibilities and obligations hereunder. CONSULTANT agrees to be as fully responsible to MTC for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by CONSULTANT. CONSULTANT's obligation to pay its subcontractors is an independent obligation from MTC's obligation to make payments to CONSULTANT.

C. Any substitution of subcontractors listed in Attachment G must be approved in writing by MTC's Project Manager in advance of assigning work to a substitute subcontractor.

D. Applicable provisions of this Agreement shall be included in any subcontract or subconsultant agreement in excess of \$25,000 entered into under of this Agreement.

## **13. ASSIGNMENT OF AGREEMENT**

CONSULTANT shall not assign this Agreement, or any part thereof without prior express written consent of the Project Manager or a designated representative, and any attempt thereat shall be void and unenforceable.

#### 14. RECORDS

CONSULTANT agrees to establish and maintain an accounting system conforming to Generally Accepted Accounting Principles (GAAP) that is adequate to accumulate and segregate reasonable, allowable, and allocable project costs. CONSULTANT further agrees to keep all records pertaining to the project being funded for audit purposes for a minimum of four (4) years following the fiscal year of last expenditure under the Agreement; or until completion of any litigation, claim or audit, whichever is longer.

#### 15. AUDITS

CONSULTANT shall permit MTC, and its authorized representatives to have access to CONSULTANT's books, records, accounts, and any and all work products, materials, and other data relevant to this Agreement, for the purpose of making an audit, examination, excerpt and transcription during the term of this Agreement and for the period specified in Article 14. CONSULTANT shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, work products, materials and data for that period of time.

CONSULTANT further agrees to include in all its subcontracts hereunder exceeding \$25,000 a provision to the effect that the subcontractor agrees that MTC, or any of its duly authorized representatives shall have access to and the right to examine any directly pertinent books, documents, papers, and records of such subcontractor for the term specified above.

## **17. SOLICITATION OF CONTRACT**

CONSULTANT warrants that it has not employed or retained any company or persons, other than a bona fide employee working solely for CONSULTANT, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person other than bona fide employees working solely for CONSULTANT, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon or resulting from the award or making of the Agreement. For breach or violation of this warranty, MTC shall have the right to terminate the Agreement without liability or, at its discretion, the right to deduct from CONSULTANT's maximum payment the full amount of such fee, commission, percentage, brokerage fee, gift or contingent consideration.

## **18. PROHIBITED INTERESTS**

CONSULTANT covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree or have the potential of conflicting with the performance of services required under the Agreement or the impartial rendering of assistance or advice to MTC. CONSULTANT further covenants that in the performance of the Agreement no person having any such interest shall be employed.

No member, officer, employee or agent of MTC, during his/her tenure shall have any prohibited interest as defined by California Government Code Sections 1090, *et seq.* and 87100 *et seq.*, direct or indirect, in the Agreement or the proceeds thereof. Prohibited interests include interests of immediate family members, domestic partners, and their employers or prospective employers. Accordingly, CONSULTANT further covenants that it has made a complete disclosure to MTC of all facts of which it is aware upon due inquiry bearing upon any possible interest, direct or indirect, which it believes any member, officer, agent or employee of MTC (or an immediate family member, domestic partner or employer or prospective employer of such member, officer, agent or employee) presently has, or will have in the Agreement, or in the performance thereof, or in any portion of the profits thereunder. Willful failure to make such disclosure, if any, shall constitute grounds for cancellation and termination hereof by MTC.

### **18.1 ORGANIZATIONAL CONFLICTS OF INTEREST**

CONSULTANT shall take all reasonable measures to preclude the existence or development of an organizational conflict of interest in connection with work performed under this Agreement. An organizational conflict of interest occurs when, due to other activities, relationships, or contracts, a firm or person is unable, or potentially unable, to render impartial assistance or advice to MTC; a firm or person's objectivity in performing the contract work is or might be impaired; or a firm or person has an unfair competitive advantage in proposing for award of a contract as a result of information gained in performance of this or some other Agreement.

CONSULTANT shall not engage the services of any subconsultant or independent contractor on any work related to this Agreement if the subconsultant or independent contractor, or any employee of the subconsultant or independent contractor, has an actual or apparent organizational conflict of interest related to work or services contemplated under this Agreement.

If at any time during the term of this Agreement CONSULTANT becomes aware of an organizational conflict of interest in connection with the work performed hereunder, CONSULTANT shall immediately provide MTC with written notice of the facts and circumstances giving rise to this organizational conflict of interest. CONSULTANT's written notice will also propose alternatives for addressing or eliminating the organizational conflict of interest. If at any time during the period of performance of this Agreement, MTC becomes aware of an organizational conflict of interest in connection with CONSULTANT's performance of the work hereunder, MTC shall similarly notify CONSULTANT. In the event a conflict is presented, whether disclosed by CONSULTANT or discovered by MTC, MTC will consider the conflict presented and any alternatives proposed and meet with CONSULTANT to determine an appropriate course of action. MTC's determination as to the manner in which to address the conflict shall be final.

Failure to comply with this section may subject the CONSULTANT to damages incurred by the MTC in addressing organizational conflicts that arise out of work performed by CONSULTANT, or to termination of this Agreement for breach.

## **19. LAWS AND REGULATIONS**

CONSULTANT shall comply with any and all applicable laws, statutes, ordinances, rules, regulations, and procedural requirements of any national, state, or local government, and of any agency of such government, including but not limited to MTC, that relate to or in any manner affect the performance of the Agreement. Those laws, statutes, ordinances, rules, regulations and procedural requirements which are imposed on MTC as a recipient of federal or state funds are hereby in turn imposed on CONSULTANT

## **20. CLAIMS OR DISPUTES**

CONSULTANT shall be solely responsible for providing timely written notice to MTC of any claims for additional compensation and/or time in accordance with the provisions of the Agreement. It is MTC's intent to investigate and attempt to resolve any CONSULTANT claims before CONSULTANT has performed any disputed work. Therefore, CONSULTANT's failure to provide timely notice shall constitute a waiver of CONSULTANT's claims for additional compensation and/or time.

CONSULTANT shall not be entitled to the payment of any additional compensation for any cause, including any act, or failure to act, by MTC, or the failure or refusal to issue a

modification, or the happening of any event, thing, or occurrence, unless it has given MTC due written notice of a potential claim. The potential claim shall set forth the reasons for which CONSULTANT believes additional compensation may be due, the nature of the costs involved, and the amount of the potential claim.

Such notice shall be given to MTC prior to the time that CONSULTANT has started performance of the work giving rise to the potential claim for additional compensation.

If there is a dispute over any claim, CONSULTANT shall continue to work during the dispute resolution process in a diligent and timely manner as directed by MTC, and shall be governed by all applicable provisions of the Agreement. CONSULTANT shall maintain cost records of all work that is the basis of any dispute.

If an agreement can be reached which resolves CONSULTANT's claim, the parties will execute an Agreement modification to document the resolution of the claim. If the parties cannot reach an agreement with respect to the CONSULTANT claim, they may choose to pursue dispute resolution pursuant to Article 24, DISPUTE RESOLUTION, or MTC may terminate the Agreement.

## **21. REMEDIES FOR BREACH**

In the event CONSULTANT fails to comply with the requirements of the Agreement in any way, MTC reserves the right to implement administrative remedies which may include, but are not limited to, withholding of progress payments and contract retentions, and termination of the Agreement in whole or in part.

The duties and obligations imposed by the Agreement and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by MTC or CONSULTANT shall constitute a waiver of any right or duty afforded any of them under the Agreement, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

## **22. TEMPORARY SUSPENSION OF WORK**

MTC, in its sole discretion, reserves the right to stop or suspend all or any portion of the work for such period as MTC may deem necessary. The suspension may be due to the failure on the part of CONSULTANT to carry out orders given or to perform any provision of the Agreement or to factors that are not the responsibility of CONSULTANT. The CONSULTANT shall comply immediately with the written order of MTC to suspend the work wholly or in part. The suspended work shall be resumed when CONSULTANT is provided with written direction from MTC to resume the work.

If the suspension is due to CONSULTANT's failure to perform work or carry out its responsibilities in accordance with this Agreement, or other action or omission on the part of the CONSULTANT, all costs shall be at CONSULTANT's expense and no schedule extensions will be provided by MTC.

In the event of a suspension of the work, CONSULTANT shall not be relieved of CONSULTANT's responsibilities under this Agreement, except the obligations to perform the work which MTC has specifically directed CONSULTANT to suspend under this section.

If the suspension is not the responsibility of CONSULTANT, suspension of all or any portion of the work under this Section may entitle CONSULTANT to compensation and/or schedule extensions subject to the Agreement requirements.

### **23. WARRANTY OF SERVICES**

A. In the performance of its services, CONSULTANT represents and warrants that it has and will exercise the degree of professional care, skill, efficiency, and judgment of consultants with special expertise in providing such services, and that it carries and will maintain all applicable licenses, certificates, and registrations needed for the work in current and good standing. In addition, CONSULTANT shall provide such specific warranties as may be set forth in specific Task Orders as agreed upon by the parties.

B. In the event that any services provided by CONSULTANT hereunder are deficient because of CONSULTANT's or subconsultants failure to perform said services in accordance with the warranty standards set forth above, MTC shall report such deficiencies in writing to the CONSULTANT within a reasonable time. MTC thereafter shall have:

1. The right to have CONSULTANT re-perform such services at the CONSULTANT's expense; or
2. The right to have such services done by others and the costs thereof charged to and collected from the CONSULTANT if within 30 days after written notice to CONSULTANT requiring such re-performance, CONSULTANT fails to give satisfactory evidence to the MTC that it has undertaken said re-performance; or
3. The right to terminate the Agreement for default. CONSULTANT shall be responsible for all errors and omissions and is expected to pay for all deficient work as a result of errors and omissions.

### **24. DISPUTE RESOLUTION**

A. Informal Resolution of Disputes. CONSULTANT and MTC shall use good faith efforts to resolve all disputes informally at the project manager level. In the event such efforts are unsuccessful, either party may request that MTC provide a written determination as to the

proposed resolution of the dispute. Within twenty-one (21) calendar days of the request, MTC's Project Manager shall provide a written determination as to the dispute, which shall include the basis for its decision. Upon CONSULTANT's written acceptance of the Project Manager's determination, the Agreement may be modified and the determination implemented or, failing agreement, MTC may in its sole discretion pay such amounts and/or revise the time for performance in accordance with the Project Manager's determination.

If the Project Manager's determination is not accepted by CONSULTANT, the matter shall promptly be referred to senior executives of the parties having designated authority to settle the dispute. The senior executives will exchange memoranda stating the issues in dispute and their respective positions and then meet for negotiations at a mutually agreed time and place. If the matter has not been resolved within thirty calendar (30) days of commencement of senior management negotiations, the parties may mutually agree to try to settle the dispute by means of alternate dispute resolution methodologies, as set forth below.

B. Controversies Subject to Alternative Dispute Resolution. Any claim or controversy concerning the interpretation, application, or implementation of this Agreement between MTC and CONSULTANT which cannot be resolved through the informal efforts described above, may, by specific agreement of the parties, be submitted to alternative dispute resolution (that is, mediation or arbitration) with the parameters for such dispute resolution being agreed to by the parties at the time.

C. Other Remedies. If a dispute is not resolved through discussion or the parties do not agree to alternative dispute resolution, either party may pursue available legal remedies in a California State or Federal court of competent jurisdiction. CONSULTANT must file a government claim pursuant to Government Code section 910 *et seq.* in order to initiate a civil action.

D. Pending Resolution. CONSULTANT shall continue to work during the dispute resolution process in a diligent and timely manner as directed by MTC, and shall be governed by all applicable provisions of the Agreement.

E. Cost of Alternative Dispute Resolution Proceedings. Each party shall bear the costs and expenses incurred by it in connection with such alternative dispute resolution processes. The cost of any mediator or independent decision maker shall be shared equally between the parties.

F. Survival of this Article. This Article shall survive completion or terminations of this Agreement, but under no circumstances shall either party call for an alternative dispute resolution of any claim or dispute arising out of this Agreement after such period of time as would normally bar the initiation of legal proceeding to litigate such claim or dispute under the laws of the State of California.

**25. CHOICE OF LAW**

All questions pertaining to the validity and interpretation of the Agreement shall be determined in accordance with the laws of California applicable to agreements made and to be performed within the State.

**26. ATTORNEYS' FEES**

If any legal proceeding should be instituted by either of the parties to enforce the terms of this Agreement or to determine the rights of the parties under this Agreement, the prevailing party in said proceeding shall recover reasonable attorneys' fees, in addition to all court costs.

**27. PARTIAL INVALIDITY**

If any term or condition of the Agreement is found to be illegal or unenforceable, such term or condition shall be deemed stricken and the remaining terms and conditions shall remain valid and in full force and effect.

**28. BENEFIT OF AGREEMENT**

The Agreement shall bind and benefit the parties hereto and their heirs, successors, and permitted assigns.

**29. NO THIRD PARTY BENEFICIARIES**

This Agreement is not for the benefit of any person or entity other than the parties.

**30. ENTIRE AGREEMENT; MODIFICATION**

This Agreement for Services, including any attachments, constitutes the complete Agreement between the parties and supersedes any prior written or oral communications. CONSULTANT represents that in entering into the Agreement it has not relied on any previous representations, inducements, or understandings of any kind or nature. This Agreement may be modified or amended only by written instrument signed by both the CONSULTANT and MTC. In the event of a conflict between the terms and conditions of this Agreement and the attachments, the terms of this Agreement will prevail.

IN WITNESS WHEREOF, the Agreement has been executed by the parties hereto as of the day and year first written above.

### TASK ORDER PROCESS

Detailed Task Order Process:

Task Orders will be numbered sequentially. The period of performance shall be as set forth in the individual Task Order. The process for developing, signing and tracking task orders is summarized as follows:

**Step 1 – The MTC Project Manager (“MTC PM”) prepares a draft Task Order to issue to CONSULTANT. The MTC PM may solicit feedback from CONSULTANT to facilitate drafting the Task Order.**

**Step 2\* – CONSULTANT prepares a proposal in response to the draft Task Order. A draft Task Order, as included in this Agreement as Attachment A-2, Task Order Form, attached hereto and incorporated herein by this reference, shall be provided to CONSULTANT for review and comment.**

**Step 3\* – The MTC PM reviews CONSULTANT’s proposal to determine if it meets the objectives of the draft Task Order and if CONSULTANT’s proposed costs are reasonable. The MTC PM may solicit early feedback from the MTC Director of Planning at this time, if necessary. Any changes to the draft Task Order deemed appropriate by MTC shall be incorporated in a draft Final Task Order.**

Step 4\* – The MTC PM forwards the draft Final Task Order to the MTC Contract Administrator for review and approval. Once approved, the MTC PM forwards two copies of the Task Order to the MTC Director of Planning, for review and approval. The MTC Director of Planning signs both copies of a Final Task Order to signify approval and returns them to the MTC PM.

Step 5 – The MTC PM sends both copies of the signed Final Task Order to CONSULTANT, who signs both copies and returns one to the MTC PM.

**Step 6 – The MTC PM sends one copy of the fully executed Task Order to the MTC or MTC Task Lead who initiates work, and sends another copy to MTC Finance to encumber funds against the Task Order. The MTC PM keeps the original fully-executed Task Order for the official project record.**

Step 7 – Any services added to the Agreement by a Task Order shall be subject to all applicable conditions of the Agreement. Revisions to Task Orders shall require written approval by both the MTC Director of Planning and CONSULTANT. Revisions to Task Orders shall require written approval by both the MTC Director of Planning and CONSULTANT.

Step 8 – The MTC PM is responsible for overseeing the successful conclusion of the Task Order, and will manage the progress of the work, track invoices against the Task Order budget, and track milestone completion against the Task Order schedule.

**Step 9 – Once the MTC PM determines the Task Order is complete, the MTC PM will send written notification to CONSULTANT that the Task Order is complete and that all associated invoices are due to MTC within 30 days. Any balance of budget is made available to spend on future task orders at the MTC PM’s discretion.**

**Step 10 – The MTC PM will annually assess the need for a Contract audit.**

*\*The MTC Project Manager may revise the Task Order and/or CONSULTANT may be asked to revise the proposal based on feedback received during Steps 2 through 4.*

### **Insurance and Financial Security (Bond) Provisions**

#### **Property insurance is required for all contracts.**

#### 1. INSURANCE

A. **Minimum Coverages.** The insurance requirements specified in this section shall cover CONSULTANT's own liability and the liability arising out of work or services performed under this Agreement by any subconsultants, subcontractors, suppliers, temporary workers, independent contractors, leased employees, or any other persons, firms or corporations that CONSULTANT authorizes to work under this Agreement (hereinafter referred to as "Agents.") CONSULTANT shall, at its own expense, obtain and maintain in effect at all times during the life of this Agreement the following types of insurance against claims, damages and losses due to injuries to persons or damage to property or other losses that may arise in connection with the performance of work under this Agreement.

CONSULTANT is also required to assess the risks associated with work to be performed by Agents under subcontract and to include in every subcontract the requirement that the Agent maintain adequate insurance coverage with appropriate limits and endorsements to cover such risks. To the extent that an Agent does not procure and maintain such insurance coverage, CONSULTANT shall be responsible for said coverage and assume any and all costs and expenses that may be incurred in securing said coverage or in fulfilling CONSULTANT's indemnity obligation as to itself or any of its Agents in the absence of coverage.

In the event CONSULTANT or its Agents procure excess or umbrella coverage to maintain certain requirements outlined below, these policies shall also satisfy all specified endorsements and stipulations, including provisions that CONSULTANT's insurance be primary without right of contribution from MTC. Prior to beginning work under this contract, CONSULTANT shall provide MTC with satisfactory evidence of compliance with the insurance requirements of this section.

1. **Workers' Compensation Insurance** with Statutory limits, and Employer's Liability insurance with a limit of not less than \$1,000,000 per employee and \$1,000,000 per accident, and any and all other coverage of CONSULTANT's employees as may be required by applicable law. Such policy shall contain a Waiver of Subrogation in favor of MTC. Such Workers Compensation & Employers Liability may be waived, if and only for as long as CONSULTANT is a sole proprietor or a corporation with stock 100% owned by officers with no employees.

2. **Commercial General Liability Insurance** for Bodily Injury and Property Damage liability, covering the operations of CONSULTANT and CONSULTANT's officers, agents, and employees and with limits of liability which shall not be less than \$1,000,000 combined single

limit per occurrence with a general aggregate liability of not less than \$2,000,000, and Personal & Advertising Injury liability with a limit of not less than \$1,000,000. Such policy shall contain a Waiver of Subrogation in favor of MTC.

MTC and those entities listed in Part 3 of this Attachment E (if any), and their commissioners, directors, officers, representatives, agents and employees are to be named as additional insureds. Such insurance shall be primary and contain a Separation of Insureds Clause as respects any claims, losses or liability arising directly or indirectly from CONSULTANT's operations.

3. Business Automobile Insurance for all automobiles owned (if any), used or maintained by CONSULTANT and CONSULTANT's officers, agents and employees, including but not limited to owned (if any), leased (if any), non-owned and hired automobiles, with limits of liability which shall not be less than \$1,000,000 combined single limit per accident.

4. Umbrella Insurance in the amount of \$1,000,000 providing excess limits over Employer's Liability, Automobile Liability, and Commercial General Liability Insurance. Such umbrella coverage shall be following form to underlying coverage including all endorsements and additional insured requirements.

5. Errors and Omissions Professional Liability Insurance for errors and omissions and the resulting damages, including, but not limited to, economic loss to MTC and having minimum limits of \$1,000,000 per claim.

The policy shall provide coverage for all work performed by CONSULTANT and any work performed or conducted by any subcontractor/consultant working for or performing services on behalf of the CONSULTANT. No contract or agreement between CONSULTANT and any subcontractor/consultant shall relieve CONSULTANT of the responsibility for providing this Errors & Omissions or Professional Liability coverage for all work performed by CONSULTANT and any subcontractor/consultant working on behalf of CONSULTANT on the project.

6. Property Insurance. Property Insurance covering CONSULTANT'S own business personal property and equipment to be used in performance of this Agreement, materials or property to be purchased and/or installed on behalf of MTC (if any), and builders risk for property in the course of construction (if applicable). Coverage shall be written on a "Special Form" policy that includes theft, but excludes earthquake, with limits at least equal to the replacement cost of the property. Such policy shall contain a Waiver of Subrogation in favor of MTC.

B. Acceptable Insurers. All policies will be issued by insurers acceptable to MTC, generally with a Best's Rating of A-VIII or better.

C. Self-Insurance. CONSULTANT's obligation hereunder may be satisfied in whole or in part by adequately funded self-insurance, upon evidence of financial capacity satisfactory to MTC.

D. Deductibles and Retentions. CONSULTANT shall be responsible for payment of any deductible or retention on CONSULTANT's policies without right of contribution from MTC. Deductible and retention provisions shall not contain any restrictions as to how or by whom the deductible or retention is paid. Any deductible or retention provision limiting payment to the Named Insured is unacceptable.

In the event that MTC seeks coverage as an additional insured under any CONSULTANT insurance policy that contains a deductible or self-insured retention, CONSULTANT shall satisfy such deductible or self-insured retention to the extent of loss covered by such policy, for any lawsuit arising from or connected with any alleged act of CONSULTANT, subconsultant, subcontractor, or any of their employees, officers or directors, even if CONSULTANT or subconsultant is not a named defendant in the lawsuit.

E. Claims Made Coverage. If any insurance specified above is written on a "Claims-Made" (rather than an "occurrence") basis, then in addition to the coverage requirements above, CONSULTANT shall:

- (1) Ensure that the Retroactive Date is shown on the policy, and such date must be before the date of this Agreement or the beginning of any work under this Agreement;
- (2) Maintain and provide evidence of similar insurance for at least three (3) years following project completion, including the requirement of adding all additional insureds; and
- (3) If insurance is cancelled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the Agreement effective date, CONSULTANT shall purchase "extended reporting" coverage for a minimum of three (3) years after completion of the work.

F. Failure to Maintain Insurance. All insurance specified above shall remain in force until all work or services to be performed are satisfactorily completed, all of CONSULTANT's personnel, subcontractors, and equipment have been removed from MTC's property, and the work or services have been formally accepted. CONSULTANT must notify MTC if any of the above required coverages are non-renewed or cancelled. The failure to procure or maintain required insurance and/or an adequately funded self-insurance program will constitute a material breach of this Agreement.

G. Certificates of Insurance. Prior to commencement of any work hereunder, CONSULTANT shall deliver to MTC Certificates of Insurance verifying the aforementioned

coverages. Such certificates shall make reference to all provisions and endorsements referred to above and shall be signed on behalf of the insurer by an authorized representative thereof.

H. Disclaimer. The foregoing requirements as to the types and limits of insurance coverage to be maintained by CONSULTANT are not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by CONSULTANT pursuant hereto, including, but not limited to, liability assumed pursuant to Article 9 of this Agreement.
